

HEBREW ROOTS – RENUNCIATION PRAYER

INTRODUCTION

This prayer should only be prayed after the believer in Jesus Christ has viewed the complete series (in 7 parts) of IIC on YouTube about ***Exposing the Lie of the Hebrew Roots Movement*** (<https://www.youtube.com/watch?v=F5rD6etaTkk&list=PLF-BDxH8a9YyN OqNW7MFgQ17RmMrM5W1>) and has come to a full recognition of the truth. Only the truth can set you free (John 8:32) and you can only renounce something when you understand why it is wrong and why it does not honour our Lord Jesus Christ (the High Priest of the New Covenant). Since there are different levels of participation in Hebrew Roots, it is important to first read the whole prayer and then to only pray those parts applicable to you).

The process of renouncing includes the following, namely: 1) Acknowledging and confessing, 2) asking for forgiveness and 3) requesting Jesus to wash the sin and iniquity away with His blood. Thereafter, continue with the cancellation of curses, deliverance, and healing.

RENUNCIATION AND DELIVERANCE PRAYER

Father, I come before your holy throne in the spiritual realm in the name of Jesus Christ my Saviour and Redeemer, my Bridegroom and the High Priest of the New Covenant (affirmed and sealed by His own blood.) Father, Jesus Christ and Holy Spirit (triune God made known to me through both the Old and the New Testaments of the Bible but especially also through His Spirit, the Holy Spirit when I became reborn in Christ Jesus and thereafter), I have come to the complete revelation and knowledge of the lies of the Hebrew Roots Movement. I thank you Holy Spirit for opening my spiritual eyes and ears to the truth and I give you, Lord Jesus Christ, all the honour and glory.

1. CONFESSION OF SIN AND REQUEST FOR FORGIVENESS

I come before your holy throne today, Jesus Christ, and I acknowledge and confess in full conviction of your truth, the following:

1.1 The lie of the circumcision of the foreskin as a sign of the Old Covenant with you, Lord Jesus Christ

The circumcision of boys on the eighth day (or any other day) which was done by the Israelites and the Jews in Judaism (and that is still practiced today by people in certain faiths for religious reasons) is based on the lie that it is the sign of the Old Covenant

with You Lord Jesus Christ and that only the circumcised was included in Your covenant people.

I confess that the circumcision of the foreskin is not a sign of the Old (marriage) Covenant with You Lord Jesus Christ but rather the sign of the marriage covenant that was made by Adam and Eve with Lucifer (Satan) in the Garden of Eden when they “ate” (spiritually) from the Tree of Knowledge of Good and Evil (i.e. obedience to Lucifer). The fall of man included a blood covenant with Lucifer and the circumcision is therefore the sign of Lucifer’s image in man. The circumcision depicts the fall of man and the fact that the seed of Satan came into man, having man’s sinful nature together with the curse thereof as its bitter fruit.

The circumcision is therefore also the sign of the fertility cult of Satan that forms the basis of the “mysteries” of the occult (that forms the essence of Freemasonry, Illuminati and Kabbalah).

The circumcision of the foreskin was therefore never commanded by you, Lord Jesus Christ, but rather by the “dark lord”, namely Satan or Baal. Many heathen nations (that are in sun god worship) practices even until today the circumcision of the foreskin.

However, in your mercy and omniscience you allowed the circumcision Lord Jesus Christ (commanded by the dark lord or Baal in Gen.17) so that the sign of man’s fall to sin in the Garden of Eden together with its curse may be carried through all the generations of Jews up and unto yourself, Jesus Christ (who was also circumcised on the 8th day according to Jewish practice). This sign of the curse of the seed of Satan in man (the circumcision of the foreskin) had to be taken on the cross by you Jesus, the son of God (who was without sin), so that this curse could be broken by the powerful godly blood of the Lamb of God for all those who believe in Him as their personal Saviour and Redeemer. This was your masterplan for the salvation of man Father and for whom you have allowed your own Son to become sin for us (also in circumcision) so that the curse of sin and its sign could be nailed to the cross. In this way the curse of sin and death was taken upon Jesus and was broken by the sacrifice of His blood and body for us on the cross.

I acknowledge and renounce the lie that the circumcision of the foreskin is the sign of the Old Covenant with you Jesus Christ, and I ask for your forgiveness that I believed it. I declare that the sign of the Old (marriage) Covenant with you Jesus Christ was the Sabbath and not the circumcision (Exodus 31: 12-17). The Sabbath was the sign of your covenant with the Israelites since you created the whole earth and everything on it in 6 days and rested on the 7th day. This sign distinguished the Israelites from all the heathen nations (of whom some were also circumcising) and was the clear proof that the Israelites were in covenant with the only true God, namely the Creator God, Jesus Christ.

Jesus, I ask for forgiveness for the circumcision of the foreskin done by any of my ancestors (also by the “fathers” of our faith namely Abraham, Isaac, and Jacob as well as their Jewish descendants) and declare that every circumcision was a blood ritual and a blood sacrifice to Satan thereby reaffirming the blood covenant made with Satan in the Garden of Eden and carrying it through from generation to generation. Thus, every male became a “husband of blood” (Ex.4:25-26) (representing Satan) to his wife to be a sign of the fact that she and the children born from that union are in covenant with Satan (the curse of sin and death). I ask Jesus that you sever me, my spouse, children and descendants into all eternity from this sign of Satan and that you will wash us clean with your blood in spirit, soul and body.

I forgive everyone who had previously believed the circumcision to be the sign of the Old Covenant with you Jesus Christ and I realise them completely. I know that they were also misled due to the dualism (reference to you Jesus Christ and reference to Baal or Satan, both known at the time as “lord”) found in the Old Testament¹. I thank you Jesus Christ that by the sacrifice of your blood on the cross (as High Priest of the New Covenant) I may now call on your blood to wash us clean from the curse of sin.

I acknowledge and confess that the only circumcision that is from you and that honours you Lord Jesus Christ, is the circumcision of the heart (spirit man) that occurred when I gave my heart (spirit) to you at my spiritual rebirth. This circumcision, done by the Holy Spirit, is of a spiritual nature (Col. 2:11; Rom. 2:29).

If I was circumcised for religious reasons according to the practice of the Israelites (Jews) to become part of their religion and covenant (with Lucifer/Satan), then I unconditionally renounce that circumcision Jesus Christ and I ask you to cancel that blood sacrifice and ritual with your precious blood Jesus. I now cancel, in the name of Jesus Christ any words that were spoken over me during the circumcision. I ask, Jesus Christ, that you will forgive me for this great sin and wash me clean with your blood that was also shed for me on the cross to break this blood covenant with Satan.

I declare that 1 Cor. 7:19 is the truth where Paul says: *“Circumcision is nothing and uncircumcision is nothing but keeping the commandments of God (as is written on the tablets of my heart by the Holy Spirit) is what matters”*.

1.2 A Completely New Covenant

I acknowledge and confess that the Old Covenant has come to a complete end due to the unfaithfulness of the Jews and their harlotry with other gods and therefore it is impossible to be renewed. The best and undisputable proof of this is that the Ark of

¹ Reference to both Baal or Yahweh (sun and moon goddess worship) and you Lord Jesus Christ as “lord” and as “god” in the Old Testament.

the Covenant was no longer to be found in the Holy of Holies of the Temple in Jerusalem during the 2nd Temple period.

I acknowledge and confess that the New Covenant that you made possible Lord Jesus Christ by your death and resurrection is a completely new covenant between you and those who accept you as their Saviour. The Old Covenant was only a foreshadowing of the new and better Covenant that was to come and everything contained in the Old Covenant was completely fulfilled in and by you, Jesus Christ.

Please forgive me Lord Jesus Christ if I wrongly believed that we currently live in a renewed Old Covenant with You and that there was anything left of the Old Covenant that could be further built upon.

1.3 The name of God.

Lord Jesus Christ, I confess that the name above all names and the only name by which anyone can be saved is the name of **Jesus Christ** (Acts 4:12). I hereby reject any other name that I (at the expense of our name Lord Jesus Christ) knowingly or unknowingly lifted up, exalted and honoured.

I specifically reject the names Yahweh, Jehovah, Yahvah and any other type or inflection thereof, as not being your real name as it is all based on the Jewish consonants YHVH (Yod Heh Vav Heh) also referred to as the Tetragrammaton. YHVH simply means “Lord” in Hebrew and the names Yahweh and others were simply derived from this word together with certain consonants that were added by the Jewish rabbi’s to make it pronounceable.

The sun god (Baal) was also known as Yahweh amongst the heathen nations (as is reflected on various antique artifacts) and therefore all these names are simply a reference to the sun god or Baal and therefore to Satan.

Clear proof of this Lord Jesus Christ is that the Cabbalists, Freemasons and Satanists perform their strongest witchcraft and initiation rituals on the strength of the Tetragrammaton namely YHVH. One example of this is the initiation ritual performed in the Scottish Rite of the Freemasons when initiating a person into the 14th degree. People in the occult also uses the name of YHVH to draw strength from powers of darkness to enable them to “astral travel”². If the Tetragrammaton (namely YHVH) upon which all these so- called holy names of god are based was truly your holy name Lord Jesus, it would have been impossible to perform such strong witchcraft and initiation rituals upon it. The Freemasons and others in the occult however know very well that the name YHVH (which merely means “lord”) refers to the “dark lord”, Satan or Lucifer. They then also use the “tetractys” with its numerology of 72 (referring to 72 fallen angels) to perform their strongest kabbalistic witchcraft. In

² Astral travelling is when your human spirit (at your own will and by demonic power) leaves your body and travels in the spirit.

these rituals and initiations done in the name of YHVH, they therefore call upon the name of their king, Satan together with the fallen angel rulers in his demonic kingdom of darkness to draw strength.

I confess, Lord Jesus Christ, Father and Holy Spirit that your true name (as spoken by the angels in heaven) is unpronounceable and too holy to be uttered by any mortal man and because of this you told Moses to tell the people that “I Am”, the God of their forefathers, sent Moses to them. You are indeed our Lord, but it is not your sacred and most holy name. “Lord” may refer to the Lord of the Light (Jesus Christ) or the lord of the darkness (Satan) since the heathen nations also addressed Baal as their lord.

Furthermore, I reject (if I am not a Messianic Jew) the name of Yeshua, Y’shua’ Yavashua and any other form or inflection thereof as your holy name Jesus since I am not a Jew and do not speak Hebrew. I am an English believer and have come to know you as JESUS CHRIST (the English for the Greek word “Iisou̅s Christós”) and was reborn, baptised as a believer and baptised with the Holy Spirit in the name of JESUS CHRIST. I refuse to renounce the most precious, holy and sacred name known to me (that of JESUS CHRIST) that the Father has chosen to exalt in His Word above all other names (Eph. 1:20-23; Phil. 2:10-11).

I also reject the words “Ruach Hakodesh”, “Shekinah” and “Skekinah Glory” and every other name that wrongly refers to your Holy Spirit Lord Jesus Christ. I only accept the name HOLY SPIRIT of Jesus Christ and God the Father. Jesus Christ, I ask that you forgive me for the fact that I referred to your Holy Spirit by a name that refers to the counterfeit holy spirit (Kundalini) and I ask you to wash me clean from all deception in this regard.

I realise that the true name of God (as known to the angels) is far too holy for a human being to utter and that I will only know it when I am with you in the 3rd heaven, my Lord JESUS CHRIST.

Please forgive me Lord JESUS CHRIST if I knowingly or unknowingly exalted any other name above the name of JESUS CHRIST as my Redeemer and Saviour and wash me clean with Your precious blood.

1.4 The Hebrew language

Lord Jesus Christ, I ask for forgiveness that I knowingly or unknowingly ate again from the Tree of the Knowledge of Good and Evil thinking that I would gain more wisdom and insight into your Word by studying it in Hebrew or in the Jewish Bible.

Lord Jesus Christ, I hereby also confess that by exalting the Hebrew language and Bible, I knowingly or unknowingly became spiritually proud and arrogant exalting myself above other believers. I know Jesus that you resist the proud and the arrogant and that you show mercy to the humble (James 4:6 and 1 Peter 5:5). Please forgive me Lord Jesus Christ and wash me clean with your precious blood.

I declare that you Jesus Christ is the Tree of Life and that your Holy Spirit is able to give me revelation and understanding of your written Word in any language (as long as it is a relatively accurate translation). This is true since you, Jesus Christ, are the living Word and it is your Spirit that guides me and teaches me in all truth (John 1:1-5; Rev. 19:13).

Lord Jesus Christ, please forgive me for this deception and, should I have any Jewish or Hebrew Bible in my house, I now reject the idea that it is the only written Word from which I will receive revelation. I admit that I was deceived in this regard Lord Jesus Christ. Please wash me clean with your blood.

1.5 The law of God

Jesus Christ, I confess and declare that the Law (as contained in the 10 commandments that were given to Moses on stone tablets on the mountain in the desert) was fulfilled by you Jesus since you wrote your Law on my heart (spirit man) when I got spiritually reborn in you.

I therefore declare that I am no longer living under the Law of Moses but under the Law of your Spirit who leads me in all truth and the full meaning of the Law (in many more dimensions).

I am therefore no longer living under the curse of the Law but rather under your grace Jesus Christ which you bought for me with your precious blood on the cross and by the power of your resurrection. This means that although I remain a sinner and subject to the fall (1 John 1:8), I am saved and have eternal life, not because I deserve it by keeping the Law but because of my faith in you and your grace.

Lord Jesus Christ, please forgive me for believing that I could earn and deserve your mercy and salvation by keeping the Law of Moses. I confess that it is a lie and ask that you wash me clean with your blood.

1.6 The Torah (first five books of the Bible)

Lord Jesus Christ, I have come to realise that the “deeper levels of Torah” (as the Jewish rabbi’s study them) at a certain level becomes Cabbalah. The Law of Moses became contaminated with Cabbalah during the Babylonian captivity and exile of roughly 70 years. Cabbalah consists mainly of the Babylonian Mysteries which has its origin with Lucifer and the fallen angels and is also the basic secret knowledge of Freemasonry and the occult.

I confess that I knowingly or unknowingly exalted the Torah to an authority that is above that of the Holy Spirit and that I began to delve into the deeper levels of the Torah. By doing this I, knowingly or unknowingly, opened myself up to the Spirit of Cabbalah (also known as “the dark lord (YHVH)” or Lucifer) and this spirit wanted to take me back under the curse of the Law. In this way, the Kundalini (counterfeit holy spirit) was awakened in me with the end-goal a fully empowered Merkabah Body and “enlightenment” (of Lucifer).

Jesus Christ, I confess that:

- The Torah does not contain the instructions on how I should live my life, rather it is your Holy Spirit that instructs me daily on how I should live in accordance with your Law that was written on the tablets of my heart (spirit) by your Holy Spirit.
- The Torah is not your marriage proposal to us, your Bride Jesus Christ. Jesus Christ your marriage proposal under the New Covenant to us is to accept you as Saviour by believing that you died for us on the cross and that you overcame sin and death for us by being resurrected on the third day. Whoever accepts this marriage proposal in faith (of what you achieved for us on the cross and your resurrection) stands in a marriage covenant with you Lord Jesus Christ under the New Covenant and this covenant is bought and sealed with your blood.
- I must not be rooted in the foundation of the Torah but in the foundation of you, Jesus Christ and in your Holy Spirit. You are the Vine and we are the shoots (John 15). You are the true olive tree and we are the wild branches that need to be grafted into You, Jesus Christ (in the spirit) to gain our salvation (Romans 11).
- The Torah was the mere foreshadowing of you, Jesus Christ, the Messiah, who came to earth as the Son of God incarnated into human flesh. You came to take the curse of sin and death upon yourself so that all who accept you as Saviour may have eternal life. This is now the core belief of my faith. By your resurrection you conquered death and therefore we shall also be raised up in a new and eternal life with you, Lord Jesus Christ.
- Jesus, you did not teach the people from the Torah but rather in the ways of your Father³. Jesus, You merely referred to the Torah to show the people how, under the Old Covenant, it was used by You to enter into relationship with Your people.

Jesus Christ, please forgive me for the fact that I assigned a place to the Torah that belonged only to You and Your Holy Spirit, and that I thereby, knowingly or unknowingly, ate again from the Tree of Knowledge of Good and Evil. Please wash me clean with Your blood in spirit soul and body.

1.7 The Sabbath

Lord Jesus, I confess that the Sabbath (keeping the seventh day (Saturday) as a day of rest) was the sign of the Old Covenant between you and the Israelites. I also understand that you say in your Word that “*no jot or tittle*” of the Law has fallen away and this includes the Sabbath rest. You also mention in your written Word that you came to give to the Law (and also to the Sabbath) its full meaning and for it to come to full fruition. This means that the Sabbath is still relevant to your people and that it did not fall away.

The freedom that you bought for us on the cross with your precious blood, Lord Jesus Christ, therefore now means that every believer that stands with you in the New Covenant, has entered the eternal Sabbath rest of God (Hebrews 4:9), resting

³ John 8:28 and 38

permanently from works and having to earn their salvation. For the reborn believer in Jesus Christ, the Sabbath rest has become that peace that transcends all human understanding having been set free from the Law and its curse. We can now rest in the knowing of what you, Jesus Christ, has done for us on the cross and the blessed assurance that we are saved based on our faith alone. The legalistic physical rest upon a certain day of the week (as the Jews) has therefore become completely fulfilled in that it has become a spiritual rest every day of the week (Heb. 4:7) and into all eternity for all those who believe. Our freedom and joy therefore was made complete in you Jesus Christ since we are no longer under the yoke of the Law but in the complete freedom of your grace.

Please forgive me, Lord Jesus Christ, for being deceived about the Sabbath and its meaning under the New Covenant and for keeping the Sabbath legalistically on the seventh day like the Jews. I have thereby unknowingly denied the fact that you have purchased my eternal freedom and rest from sin and keeping the Law with your precious blood that was shed on the cross and I have, by implication, placed myself back under the yoke of the Law. Please wash me clean with your blood in spirit, soul and body from this deception.

1.8 The seven feasts of God

Jesus Christ, I confess that the 7 feasts that you gave to the Israelites to keep in the desert were indeed your feasts and were all a foreshadowing of the new and better covenant that would come through your death and resurrection Jesus. The keeping of the feasts had to remind the Israelites of what you have already done for them by bringing them out from slavery in Egypt but it also prophetically pointed to the future and the New Covenant that was to come until the end of time.

However, in you, Jesus Christ, all these feasts have become fulfilled for those who believe in you and accept that you have died for them and have overcome sin and death for them.

This however does not mean that your calendar times (according to the feasts) no longer apply. We, however, no longer have to celebrate them physically and outwardly on particular dates and times since we now live under the New Covenant. We now proclaim each and every day of our lives what you have already done for us as well as what is to come (i.e. your return, judgement and the coming of the New Jerusalem) by what we proclaim and our living testimonies.

Passover, Easter, or Pesach – During Pesach, the Jews celebrate their liberation from Egypt when a lamb was slain and its blood was applied to the doorposts so that the angel of death would pass them by. By your crucifixion Jesus Christ you, as the Lamb of God, broke the curse of sin and death over us by the power of your blood. This feast was therefore fulfilled by you in the physical realm on the cross. For me who believes in your crucifixion and resurrection and have accepted you as my personal Saviour, this feast was also spiritually fulfilled when I got reborn. Celebrating this feast again would mean that I, by implication, deny the freedom that I gained from sin and death

and would thereby be to remove myself from your mercy and to place myself back under the curse of the Law.

Feast of the Unleavened bread or *Chaq Hamotzi* – The Jews celebrate this feast by removing all yeast from their homes for 7 days. It is symbolic of the cleansing of sin and sanctification. This feast has also been physically fulfilled during the 3 days that you, Jesus Christ (who was without sin), became sin for us and descended into hell so that we (who have sin) may be as if we have no sin and will go to heaven. Celebrating this feast would mean that I, by implication, deny that my spirit man became pure and sanctified when it got reborn in you, Lord Jesus Christ.

Feasts of the First Fruits or *Reshit Katzir* - The Israelites celebrate this feast by having the high priest waive a fresh sheaf of barley (first fruit) before you as an offering. This was a foreshadowing of you Lord Jesus Christ, who would be the first to rise from the dead. This feast has therefore also been fulfilled in the physical by your resurrection from the dead on the 3rd day. Furthermore, it has also been fulfilled for me spiritually at my rebirth when you (spiritually) rose in my heart and enabled me to also “rise up” into a new life in you. Celebrating this feast again, by implication, would be to deny that you have been resurrected from the dead and therefore also that you have risen me (with you) from eternal death into (the dispensation of) everlasting life in you.

Pentecost (Feast of Weeks) or *Shavu’ot* – By keeping the feast of Shavu’ot, the Jews celebrate the revelation of the Law (Torah) given to Moses at Mount Sinai. For us, who believe in Jesus Christ, this feast has already come into fulfilment by the pouring out of the Holy Spirit on the believers who prayed in the upper room and who spontaneously started to speak in tongues (Acts 2). You therefore sent the Holy Spirit and until this day it is possible for all who believe in you to receive your Holy Spirit at spiritual rebirth and to be baptized in the Holy Spirit. This feast was therefore spiritually fulfilled for us that believe when you poured out your Spirit in our hearts at spiritual rebirth. Celebrating this feast would, by implication, mean that I deny having received your Holy Spirit in me and that I choose to be placed back under the authority of the Law of Moses (i.e. the Torah).

(The abovementioned four feasts have therefore already come into fulfilment both in the natural realm and spiritually (for all those who believe in Jesus Christ)).

Feast of Trumpets or *Yom Teru’ah* – This feast of the Jews is also known as *Rosh Hashanah*. On this day the ram’s horn is blown so that it may be remembered that the god of the Jews is the king of the universe. The purpose of this is to call the Jews to repentance with a holy fear of their god. This feast still needs to be fulfilled in the physical realm at the Second Coming of Jesus (Mathew 24:31) when He will also gather unto Himself all who believe in Him (His Bride) (This is the rapture that takes place simultaneously with the Second Coming). This feast has, however, already been fulfilled in my spirit the day that I gave my heart to you, Lord Jesus Christ and you came to live in my human spirit. On that day my human spirit, who was dead to you, became alive again and you therefore came for me spiritually. On that day, I transcended from

the kingdom of darkness to the Kingdom of Light and the trumpets sounded in Heaven on that joyous day.

Celebrating the Feast of Trumpets would, by implication, mean that I deny that you have already come for me in my human spirit and that you have taken me from the kingdom of darkness to your Kingdom of Light.

Feast of Atonement or Yom Kippur - The Jews celebrate this feast by fasting in the synagogue and reading from the Torah. They humble themselves and confess their sins in an attempt to reconcile with god and to escape the great judgement of god.

This feast will still be fulfilled in the physical when you Jesus, after your second coming, would judge the whole world and all of man. In baptism by full immersion in water, this judgement and complete absolution from your judgement has already come (spiritually) as we have identified with you, Jesus Christ, in your crucifixion and resurrection. My flesh (soul and body) was crucified (judged) with you in my water baptism and with you I have also risen (spirit, soul and body) into a new life justified and washed clean by your blood Lord Jesus Christ. The true meaning of my baptism as a believer is therefore that I have allowed you to make my soul and body (flesh) new so that through the eyes of the Father (and at the last judgement) I will be without spot or wrinkle (free of sin) since I have shared with you Jesus in all that was achieved for me by your crucifixion and resurrection (also in soul and body).

We that have been baptised as believers will therefore be exempt from the last judgement (will not be judged by Jesus) and will therefore enter freely into the Wedding Feast of the Lamb. This feast is therefore already spiritually fulfilled for me.

Celebrating this feast again would, by implication, mean that I deny that I have already been judged and have been completely absolved by you and therefore I would, by implication, deny the power of my baptism as believer.

The Feast of Tabernacles or Sukkot – During this feast, the Israelites built a hut in which they lived for the duration of the feast. They hereby commemorated the forty (40) years that you tabernacled with them in the desert whilst on their way to the promised land and by keeping the feast until today, the Jews (in Judaism) portray that they still consider their god to be their only shelter and security.

This feast will come into fulfilment when we will all live with Jesus Christ (after His Second Coming) in the New Jerusalem after He has come to make everything new here on earth. However, spiritually Jesus Christ already tabernacles, through His Holy Spirit, in every reborn believer. The veil in the temple was torn when you died on the cross Lord Jesus Christ and this also happened to us spiritually when we got reborn in you as there is no longer any separation between us and you due to the indwelling of your Holy Spirit in us.

Celebrating the Feast of Tabernacles again would, by implication, mean that I deny that you are tabernacling with me in my human spirit and therefore I would, by implication, deny my intimate relationship with you.

Conclusion about the Feasts of God for the Israelites - Thank you Holy Spirit for all these precious revelations and that I am now able to understand and realise that Satan wanted me to celebrate these feasts again to thereby, by implication, deny that they have been completely spiritually fulfilled for me.

I declare that there is only one new sacrament under the New Covenant in which we should participate as often as possible and at every opportunity when we, as fellow believers, are together namely the holy sacrament of Communion as introduced by you, Jesus Christ, on the evening before you were handed over to be crucified.

I ask that you will forgive me Lord Jesus that I was deceived and misled regarding your old covenant feasts and I ask that you will forgive me for every time that I celebrated them or took part in them in any way. Please wash me clean with your blood on spirit, soul, and body level.

1.9 Jewish customs and traditions

I acknowledge and confess that I took part in the following Jewish customs and traditions (or silently approved of it by not taking a stand against it):

The tallit (Jewish prayer shawl) – I acknowledge that the tallit is symbolic and prophetic of the Law of the Old Covenant and that I (by placing the tallit over my head and praying under it) subjected myself to the Law of the Old Covenant again. In doing this, I opened a door in the spirit for the spirits of religion, tradition, dogma, legalism, and spiritual pride to come into me. The door of spiritual pride may have been opened in me as I considered the practice of praying under a tallit as being more spiritual than merely praying to the Father in the name of Jesus Christ.

Jewish garments e.g. the Tzitzit, Kippah etc. – I hereby acknowledge and confess that the Jewish items and garments that I wore each had a specific reference to the Law of Moses and the authority of the counterfeit god (Lucifer). I acknowledge that the wearing of these items and/or garments opened a door in the spirit for spiritual pride and superiority.

The Jewish Bible (or any other Bible wherein the so-called sacred name of God is used namely Yahweh, Yahvah and others based on the tetragrammaton YHVH) – I acknowledge and confess that it is a lie that I will receive greater revelation if I study the Hebrew Bible or any other Bible wherein the so-called sacred and restored name of God is used (including the *“Restoration of the Original Sacred name Bible”* (Rotherham version)). I confess that it is totally the opposite and that the name Yahweh and all other names based on YHVH are not the sacred name of God but that the spirit of Lucifer as well as the spirit of Cabbalah is behind this *“restoration of the sacred name of God movement”* and that I therefore would only be deceived further in the lie of the Hebrew Roots should I choose to continue studying these Bibles.

Kosher food - I acknowledge and confess that the Kingdom of God is not a matter of eating and drinking (Rom 14:17) and that nothing is in itself unclean (Rom. 14:14) but that it is the sin of man that makes him unclean. I also confess that the Tree of Life

(Jesus Christ Himself, by the power of the Holy Spirit) lives in me and has been strengthened by my rebirth, baptism as believer and baptism in the Holy Spirit and that through it the blood of Jesus Christ is powerful enough to protect me from any food that was traditionally considered to be unclean. I should, however, continue to trust the Holy Spirit to guide me concerning those foods that are beneficial for my body and those foods that I should rather avoid.

Oils with so-called healing and restorative power – Jesus Christ, I admit that I have been misled by people in ministries that mean well by placing my hope (maybe unknowingly) in certain special oils that have so-called healing and restorative powers. I confess that it is a lie and that only you, Jesus Christ, by the power of your blood that was shed for me on the cross and by the powerful working of the Holy Spirit, can heal and restore me on spirit, soul, and body level (including my spiritual, psychological and physical DNA).

Old Covenant items that were in the tabernacle and pointed to You, Jesus Christ, for example the menorah, the wash basin, the altar of incense, the altar of burnt offerings, the arc, the table for the showbread, the tabernacle with its 3 parts namely the outer court, the holy place and the holy of holies, etc. – Jesus Christ, I admit that I (by attaching value to these Old Covenant items and keeping them in my home and thereby knowingly or unknowingly honouring them) implied that you did not fulfil all these things for me and that I had to revere them again outwardly and attach value to them. I realise that during the Old Covenant with the Israelites in the desert, they were holy items and were a foreshadowing of you, Jesus Christ, and of what you would come to do for us. I confess that it referred to you who is the Tree of Life in us and that because you live in us, the Tree of Life has been fully activated in us. Therefore, although these items are still valid spiritually as they have all been fulfilled in you Lord Jesus, I confess that by honouring them again outwardly (by giving them a place in my home or prayer room) I by implication deny the fact that you have come to fulfil all that was foreshadowed by these items. By still revering these Old Covenant tabernacle items, I would then again by implication give honour to the counterfeit god namely Lucifer, the Tree of Knowledge of Good and Evil. I further confess that these items gave spiritual power to the counterfeit holy spirit (the serpent spirit Kundalini) whereby I opened myself up for more deception.

Jewish wedding or renewal of wedding vows – I acknowledge and confess that with my Jewish wedding and/or renewal of my wedding vows (with or without the Ketubah (Jewish marriage contract)) I, knowingly or unknowingly, placed my marriage under the reign of the god of the Jews in Judaism. I thereby gave Satan, Kundalini and the spirit of Cabbalistic witchcraft an open door to my marriage. I, knowingly or unknowingly, placed my marriage under the control of the false trinity.

Salt Covenant – I acknowledge and confess that the salt covenant was used in the Old Testament under the Old Covenant to make an everlasting covenant. The salt pointed to you, Jesus Christ, and has also been fulfilled in you because you are now the Salt to a lost world and only those who accept you as their Saviour will be saved. In you we

are now also the salt of the earth⁴. I realise Jesus that you ate with sinners and that you want us to follow your example of unconditional *agapé* love. I realise that because of the lie of the salt covenant, I have hurt other people and treated them in a loveless manner. I therefore acknowledge and confess that the salt covenant also belongs to the Old Covenant which has ended and that if I should now, under the New Covenant, make a salt covenant with you or anyone else, it would not honour you, but rather the antichrist or Satan. I ask for your forgiveness Jesus and that you will wash me clean with your precious blood. I hereby also cancel every salt covenant that I have made in the name of Jesus Christ and declare it null and void, namely

.....
.....

Please wash me clean Jesus Christ in spirit, soul and body of the effect of any salt covenant with your precious blood.

Shekinah Glory – I realise that Shekinah refers to the counterfeit holy spirit namely, Kundalini and to Kundalini awakening and “enlightenment”. I confess that I was deceived by this, Jesus Christ and ask for your forgiveness.

Rabbinic Blessing – I acknowledge that the priestly blessing of the Jews (as demonstrated by the hands alongside) is done under the wrong authority namely in the authority of Lucifer (the false jesus or the sungod, Yahweh). This also demonstrates the unholy name of god based on the tetragrammaton YHVH and the numerology of 72 behind it, that refers to the names of 72 fallen angels. Therefore, for me as a reborn believer in Jesus Christ it is not a blessing, but a curse. I reject the rabbinic blessing in the name of Jesus Christ and I ask for your forgiveness Jesus. I ask that every such curse that was spoken over me be cancelled with your precious blood and that you will cleanse me of it in spirit, soul, and body.

Women – covering of the head, especially the hair - I acknowledge and confess that it is a lie that a spiritually reborn woman (who is a believer in you Jesus) should cover her head. You say in your written Word that there is spiritually no longer any distinction between a man and a woman and that they both stand before your throne as equals (Gal. 3:28). I confess that with this deception of covering the head, Satan wanted to steal my unique and precious identity in you Jesus and wanted to make me identify with the Jews in Judaism, the Muslims (where women cover their heads) and other religions who are in sun god worship.

Any other Jewish traditions and/or customs that I followed or paid respect to:

⁴ Matthew 5:13

.....

 Jesus, I ask that you forgive me for these things and that you will wash me clean in spirit, soul, and body with your blood. Also, please help me Jesus Christ to identify and destroy the Jewish artifacts of the Hebrew Roots in my home or ministry.

I ask that you, by your Holy Spirit Lord Jesus Christ, will in future give me anointed eyes and ears to discern correctly between true and false, dead religion and a living relationship with you and then also between the Tree of Knowledge of Good and Evil (Satan) and the Tree of Life (yourself Lord Jesus Christ). Also please anoint my sense of comprehension and understanding with your Holy Spirit and sharpen my gift of discernment.

1.10 The Israel Vision based upon the false prophecy and misinterpretation of Romans 11

I confess that Romans 11 is incorrectly interpreted by those who advocate the so-called "Israel vision". They claim that the nation of Israel (and specifically the Jewish nation) is the olive tree and that the gentiles are the wild branches that need to be grafted into the olive tree. Their interpretation is thus that gentiles (non-Jews) should become one spiritually with the Jews (Israel) to prepare them for the second coming of Jesus.

This is based upon a wrong interpretation of Romans 11 since what Paul meant with the analogy of the natural and wild olive branches is that the natural olive is a metaphor for Jesus Christ and that the gentiles (non-Jews) who believed in Him are the wild branches that are grafted into the natural olive tree. The natural branches that were cut off from the natural olive tree are the Jews who chose not to believe in Jesus Christ as their Saviour, however even they can be grafted back into the natural olive tree should they choose to believe in you Jesus who died and rose again for their sin.

I therefore confess that it is a deception that we, as gentiles (non-Jews), should become one with the nation of Israel and become "as the Jews" to prepare for the second coming of Jesus Christ.

It is however true that you Jesus chose the Jewish nation, in the Old Testament, to be a light to the nations since you, the Messiah, had to be born from them. However now, under the New Covenant you, Jesus Christ, is the Light to the nations and only those who believe in you and accept you as their Saviour, will be saved.

I ask Lord Jesus that you will forgive me for mistakenly thinking that I, who am a non-Jew need to be spiritually grafted back into Israel (or the Jewish nation). Please wash me clean with your blood in spirit, soul, and body of this deception.

I declare that all who believes in You, Lord Jesus Christ, as their personal Saviour and Redeemer are the new spiritual Israel (and are thus in the spirit children of Abraham)⁵. The only allegiance that we should have with Jerusalem is with the spiritual Jerusalem that you will prepare for all who believes in you and who inherits eternal life.

1.11 The Mikvah baptism

Jesus Christ, I confess that I have been greatly misled because I have allowed myself to be baptised in the Mikvah baptism (also known as “the baptism of John the Baptist”).

Jesus I confess that at that stage I was already baptised in the true baptism of believers wherein I identified with you Jesus in your crucifixion and resurrection. My flesh (soul and body) was crucified with you in my baptism as a believer and I rose from the water (as you did from the dead) a completely new person in you, Jesus Christ.

I realise Jesus that during my baptism as believer into your crucifixion and resurrection, my flesh was crucified with you and that unlocked your resurrection power in me. I realise that a person, in his flesh (soul and body) can only die once and that it is therefore unnecessary to ever be baptised as a believer again.

It is a lie that the Mikvah baptism was necessary to wash away my sins since the power of sin was already finally broken over my life when I was reborn and baptised as a believer. All that was still required of me after my baptism as a believer was merely to repent of my sin and to apply the blood of Jesus shed for me on the cross to wash me clean.

The Mikvah is the old baptism of John under the OLD COVENANT (that was relevant at a time when you Jesus Christ had not yet died for us on the cross) and was merely a baptism of repentance that symbolized the cleansing of sin to prepare for the first coming of the Messiah (you, Jesus).

The baptism of believers by full immersion in water is however now the true baptism of the New Covenant since we commit ourselves to you in your crucifixion and resurrection. Herein lies the power of the baptism of believers namely that we now share also in soul and body in the same victory over sin and death that you achieved for us in your death and resurrection. The resurrection power of God the Father is by way of the baptism of believers unlocked in our souls and bodies so that we may be sanctified by the power of your blood through a further process of inner healing and deliverance.

I realise that Satan used the Mikvah to deceive me and to take me back to the Law and the Old Covenant where sin still had power over me. Satan wanted to nullify my true baptism in the spirit and wanted to replace it with a counterfeit namely the old baptism of repentance of John (the Mikvah). The Mikvah extinguished the *dunamis* resurrection power of God and the fire of the Holy Spirit in my soul and body and that

⁵ Gal. 3:7

explains why I struggle to get breakthrough and why there is a spiritual block to my deliverance and inner healing.

Jesus, I ask that you to forgive me for straying and that I subjected myself to the Mikvah which is the OLD COVENANT baptism of John. Father, forgive me for the fact that I unknowingly denied through the Mikvah baptism that your son died for me on the cross and that I, unknowingly, through the Mikvah baptism placed my soul and body again under the curse of the Law of the Old Covenant. Please forgive me Jesus and wash me clean with your precious blood!

I choose with my spirit, soul, and body not to live under the OLD COVENANT and the power of the Law (that brings spiritual death) but to live in an intimate relationship with you, Jesus Christ, in the NEW COVENANT and to experience your resurrection power through the powerful working of the Holy Spirit in my life. Today I choose life in you Jesus Christ.

Jesus Christ, I also forgive myself that I, on this day, (day, date and time) at the river Jordan in Israel (or any other place) was baptised again in the Mikvah baptism of John the Baptist. I forgive myself for my deception and error and that I gave in to spiritual hype and/or the opinion and pressure of others.

I also forgive those who were involved in my Mikvah baptism (.....) and their ministry (.....) and also the person or persons that baptised me because I know that they meant well but was also deceived. I set them all completely free Lord Jesus Christ and I ask that you also reveal to them the truth about the Mikvah.

Lord Jesus Christ, I realise that the Mikvah baptism nullified my true baptism as a believer (in your crucifixion and resurrection) and that I will therefore have to be baptised as a believer by full immersion in water again. Please lead me by your Spirit to disciples of yours who can baptise me again into your death and resurrection power.

1.12 Acknowledgement of being influenced by the Hebrew Roots.

Jesus Christ, I acknowledge and confess that participating in the Hebrew Roots movement had the following effect on me:

- Spiritual arrogance and pride
- Unteachableness, self-righteousness and even arrogance
- Judgement and criticism towards other believers in Jesus Christ who do not share in my beliefs
- Legalism, religion, tradition and dogma
- “More roots than fruits” meaning that by focusing so much on all these Hebrew and Old Testament teachings and customs, I was unable to bear fruit by the power of the Holy Spirit and the 7 gifts and fruit of the Holy Spirit

- Conflict and disagreement with fellow believers (breaking up of relationships both in ministries and between believers)
- A pharisaic and legalistic attitude by (instead of praying for people for healing and deliverance) keeping myself busy with studying the Law (Torah) and all kinds of feasts, customs and traditions of the Jews under the Old Covenant. This made me spiritually sterile in that I was not busy with your great commission of praying for the sick and healing the broken-hearted, Lord Jesus Christ.
- Knowingly or unknowingly honouring and following another gospel (that of the Law, another Jesus (Lucifer) and another spirit (the counterfeit holy spirit, Kundalini).
- By implication crucifying the true Jesus Christ (the Son of God) again in my heart (Heb. 6:6) by submitting under the Law and the traditions and customs of the Jews, thereby denying what Jesus did for me on the cross and by way of His resurrection from the dead.
- Being misled by the spirit of Cabbalah and Kundalini (counterfeit holy spirit) to think that energy and more specifically, vibrations and frequencies and quantum technology could heal me. I confess that it is the counterfeit of what you, Jesus Christ, by your Holy Spirit and the power of your blood do and that these methods of energy healing all work with Kundalini power and that it will only take me further into spiritual bondage.

I confess and acknowledge all of this and ask you Jesus Christ to forgive me and to set me free and wash me clean with your precious blood on spirit, soul, and body level.

1.13 Forgiveness of ministries and people

Jesus Christ, I realise that the following people and ministries that are in the Hebrew Roots are misled and I forgive them and set them completely free:

.....

I however also cut, in the name of Jesus Christ, all unholy spirit and soul ties with them.

I forgive myself and any other people involved that I allowed myself to be misled and that I became involved in something that did not honour you, Jesus. I set myself completely free.

I also ask for your forgiveness for the fact that I, knowingly or unknowingly, made an idol of some ministries and/or people and that I followed their teachings almost blindly without testing it against your Word and the leading of your Holy Spirit.

Jesus Christ, please also forgive me for the fact that I exposed other people to the Hebrew Roots and that I am therefore also guilty of misleading them. Please wash me clean with your precious blood Jesus Christ.

(We at IIC realise that there are many more permutations and levels of Hebrew Roots that we are not even aware of and therefore we ask any believers who read this prayer to let us know if there are any aspects we need to add – info@ignitedinchrist.org).

2. PRAYER FOR DELIVERANCE

John 8:36 – *Only when the Son (Jesus Christ) sets you free (from human spirit level) you will be free indeed.*

2.1 Jesus binds the strongmen (Mat. 12:29; Mar. 3:27)

Lord Jesus Christ, I ask that you will bind the strong men (that works with the lie of the Hebrew Roots and that no longer have any rights to me and my life) at (NB – not in) my human spirit and in particular the following:

- Lucifer (“the dark lord”), the spirit of Kabbalah, Kabbalistic witchcraft and the Antichrist (and all who portrays in the spirit as the “count Jesus”)
- The spirit of Religion, Tradition and Dogma as well as Legalism whom all are collaborating under the authority of Lady Faith of the Freemasons (also known as Jezebel) and who reports to the Queen of Heaven
- Spirits of witchcraft, mind-control, programming, “caging” as well as mesmerisation that all work together and report to Hecate, also known as Lady Hope of the Freemasons (who also stands under the authority of the Queen of Heaven)
- Spiritual pride, self-righteousness, unteachableness, arrogance, conflict, fighting, bickering and argumentativeness whom all also report to Leviathan and to Athaliah and the sungod Baal (or Molech or Dagon)
- Spirits that identify with the names Yah, Yahvah, Yahweh, Yahovah and all others that are derived from the Hebrew consonants Yod Heh Vav Heh (YHVH) as well as the spirits of Yeshuah, Yahvahshua and all other names associated with the Hebrew names of Jesus (as He was known to the Jews before His crucifixion and resurrection)
- All spirits that identify with and report to the sun god including Rah, Rahab, Baal, Molech, Dagon as well as Jezebel and Ahab, manipulation, control, intimidation and domination together with the spirits of inferiority, unworthiness and low self-esteem and all that report to them
- All spirits of the sons and daughters of the fallen angels that identifies with the 72 fallen angels that draw power from the false and unholy name of god YHVH, specifically Lucifer (or Azazel (as he manifested to Adam en Eve as the hybrid snakelike being in the Garden of Eden)) but then also every other Nephilim and hybrid spirit that identifies with the 72 fallen angels that draws power from the unholy name of god namely YHVH
- Kundalini (the counterfeit holy spirit) as well as spirits of deception, confusion and lies (including the New Age spirit) that work with Kundalini

- Mammon and all the spirits of poverty and financial difficulty that collaborate with Mammon and that strive to keep the people that are in the Hebraic Roots Movement in poverty and financial difficulty and that also want to prevent them from gaining any break through either spiritually, emotionally, physically, financially and/or in terms of entering into their calling
- Baphomet (also known as Lillith) that reports to the Queen of Heaven and who wants to take the children (the generations to come) and that also wants blood and stands behind the lie of the circumcision (together with Azazel, also known as Lucifer or the sun god)
- The death and dumb spirit that, together with Kundalini, the religious spirit and others drew a spiritual veil over my spiritual eyes and ears as well as over my human spirit. This affected my ability to discern between truth and lie and between the spirits and it tried to mislead me through deception to keep me in the Hebraic Roots and to prevent me from seeing the truth.

All the spirits named above (as well as all others that collaborate with them) will from now on just be referred to as “the strong men of the Hebraic Roots”.

2.2 Cancellation of all mind-control and programming by DID parts or alters

Jesus Christ, I ask that you appear to the hosts of all DID parts (or alters) at my human spirit level that work with the Hebraic Roots and that receive their instructions from the strong men that you have just bound. I ask that all these DID hosts will see you now and will open up the doors of their hearts for you, Jesus Christ, to enter and so that they may all become reborn in you, Jesus Christ.

Jesus, I ask that all DID mind-control and programming that are working through these DID hosts who are being controlled by the strong men of the Hebraic Roots will now be cancelled in the mighty name of Jesus Christ and by the power of your blood shed for me on the cross. In general, but also specifically, the following mind-control programming:

- Of religion, tradition and dogma as well as legalism named “Ezra” or anything else together with the numerology associated with it;
- Of Kabbalistic witchcraft associated with the name “Yod Heh Vav Heh (YHVH)” as well as the numerology of 72 that are associated with it (the “*tetractys*” as portrayed to the right);
- Of the names “Yahweh”, “Yahvah”, “Yehovah”, “Yeshua”, “Yahvahshua”, “Ruah Hakodesh”, “Shekinah” and all other names whereby exclusive reference is made to God other than as God the Father, the Son (Jesus Christ) and the Holy Spirit

- Of “Torah”, the “Law” (written on stone tables) as well as “Shabbat” and the 7 feast of the Jews namely “Pesach”, “Chag Hamotzi”, “Reshit Katzir”, “Shavu’ot”, “Yom Teru’ah”, “Yom Kippur” en “Sukkot”;
- Also of “Israel”, the “circumcision of the foreskin” as well as “Pharisee”, “Sanhedrin” and “Rabbi”;
- “Judas Iskariot”, “Kajafas”, “Herodus” and “Pontius Pilatus”; and
- “Veil”, “tallit” and “temple curtain”

as well as any other DID mind-control programming that collaborates with this strategy of the Hebrew Roots. I ask you Jesus Christ that by the power of your blood all this DID programming and mind-control will now go up in flames – on human spirit, soul and body level.

I also ask you Jesus Christ that by the power of your blood on human spirit, soul and body level all witchcraft, numerology, kabbalah, triggers and spiritual cages over and in respect of all DID parts (both the hosts and all the other parts under their authority) will now be cancelled and will go up in flames.

I ask you Jesus Christ that you will wash all these DID parts (or alters) on my human spirit, soul and body level clean with your blood and that all demons will leave them now.

Jesus Christ, then I ask that you integrate on my human spirit, soul and body level all DID parts (or alters) that works with this stronghold of Hebrew Roots with my core human spirit, soul and body.

2.3 Jesus takes away the strong men

Cancellation of all spiritual micro-chips (programming) of strong men

Jesus Christ, I ask that you appear to every strong man mentioned above but also all other strong men that works in and through and with the Hebrew Roots.

I declare in the name of Jesus Christ that all their spiritual micro-chips (that contain their demonic programming) on spirit, soul and body level be cancelled on my human spirit, soul and body level in the name of Jesus Christ and by the power of His blood.

Setting the spiritual captives free

Jesus Christ, then I bind the demonic gate keepers where all these strong men of the Hebraic Roots reign in the spiritual realm and I ask Jesus that you will send in your warring angels to seek, rescue and find all captives (both demonic spirit copies and demonic soul copies of myself) and that you will bring them out from every spiritual place of captivity associated with the Hebrew Roots.

In the name of Jesus Christ, I now cancel all blood covenants, blood sacrifices, blood rituals ~~and~~, witchcraft, caging as well as all curses spoken over these captives.

Jesus Christ, please wash them clean with your blood and command all demons and spirit copies or soul copies to leave them now.

Jesus Christ, I ask that you take away all these spiritual captives and that you set them free.

Removing of demonic spirit copies

Jesus Christ, I ask that you command all demonic spirit copies of each person that has ever lived (also of those who still live) as well as any nephilim and hybrid that are involved in the Hebrew Roots to consolidate to one copy each and that you cut them loose from the strong men of the Hebrew Roots Jesus. Please take them away from my human spirit Jesus. Thank you, Jesus!

Removing of strong men

Jesus Christ, these strong men no longer have any rights to my spirit, soul and body. I ask you Jesus Christ that you will loosen them from my human spirit (each one individually but also jointly) and that you will grant an eviction order in the spirit from your holy Throne of Justice and that you will serve it upon everyone individually (but also jointly).

Jesus then I ask that you now remove all these strong men from my human spirit. Thank you, Jesus (this request should be repeated a few times and continue pleading the blood of Jesus and His fire (*dunamis* power) until all manifestation stops and only peace remains).

Jesus Christ, please lock the portals of these strong men of the Hebrew Roots on my human spirit level with your Keys of the Kingdom.

Jesus now please heal any spirit wounds that these strong men left behind on my human spirit with your blood. Thank you, Jesus!

2.4 Removing of the veil of religion and cancellation of any spiritual cages over my spirit person (2 Cor. 3:14)

Lord Jesus Christ, I ask that you remove any spiritual veils over my spirit person as well as any spiritual cages on and over my human spirit that aim to close my spiritual eyes and ears. Please break it down with your own hands Jesus Christ and take it away so that I may again experience full intimacy with you Jesus and may again hear your voice clearly. Thank you, Jesus!

2.5 Deliverance from power demons, foot soldiers and demonic soul copies

Jesus Christ, in your name I now cut each demonic soul copy of people that once lived (or that is still alive) as well as all Nephilim and hybrid creatures that works with this strategy of Hebrew Roots (and whose strong men have been taken away by you) loose

from their power demons and foot soldiers. I now command them all in the name of Jesus Christ to consolidate to one soul copy each. I ask you Lord Jesus Christ to now take each one of these demonic soul copies away on soul and body level. (Keep on asking Jesus to take them away until all manifestation stops.) Thank you, Jesus!

In your name Jesus Christ I bind all power demons and foot soldiers on soul and body level who are associated with the Hebrew Roots and whose strong men have been taken away by you Jesus and I command them now to leave me immediately! Out, in the name of Jesus Christ! (Continue to command them to leave in the name of Jesus Christ until all demonic manifestation has stopped and there only remains peace.)

I now take the Keys of the Kingdom Jesus and in your name and I lock the portals of all demonic authorities (power demons and foot soldiers) that work with the Hebrew Roots on soul and body level.

2.6 Baptising by and infilling with the Holy Spirit

Lord Jesus Christ, I ask you to now baptise me again on spirit, soul and body level with your Holy Spirit and with your Fire (*dunamis* power). Please baptise me Lord Jesus and fill me with streams of your Living Waters. Let every gift of your Holy Spirit be activated in me afresh and enable me by your power Lord Jesus Christ to again bear fruit for your Kingdom.

2.7 Thanksgiving

Thank you, Father, Jesus Christ and Holy Spirit for your grace, love, truth and deliverance today. All honour and glory be only to you into all eternity.

Father, I ask in the name of Jesus Christ that you will re-align me with you and that you will raise me up in my creative purpose for you here on earth. Help me to truly be your disciple and protect me against all strategies of the enemy to deceive me with his lies. Teach me how to love with your *agapé* love Lord Jesus, so that I may thereby completely fulfil your law written on my heart.

AMEN
