

PRAYER FOR THE CANCELLATION OF ANCESTRAL BLOOD COVENANTS MADE WITH THE ENEMY

(This prayer should only be prayed by reborn and baptised (by full immersion) believers in Jesus Christ after the major strongholds of the enemy in the blood lines have been repented for and renounced. We therefore strongly advise that believers should first work through our Warrior School and all related teachings and renunciation prayers before praying this prayer. This will ensure maximum effectiveness since our Lord Jesus Christ is a righteous God and will not cancel covenants made with the enemy if there are still rights in place.)

Lord Jesus Christ, I come before your holy throne today as the Judge of all in the Highest Court in Heaven and ask for judgement in the following matter:

1. **Representation**

I stand before your throne in this matter Lord Jesus Christ for myself but also for my family (husband/wife and children) who are all under my spiritual authority. I also stand in the gap for (represent) who is currently unable to pray for him – or herself due to (state circumstances).

2. **Jesus died and was risen from the grave**

I declare that you died for us on the cross Jesus Christ and that you have risen from the grave on the third day by the power of the Holy Spirit so that all who believe in you may be saved (overcome sin and death and inherit eternal life).

I further declare that your blood was shed so that all curses of sin and death may be broken over me and my descendants.

We accepted you as Saviour and believe that you died for our sins and that therefore we may live and have life in abundance.

I therefore call upon the blood of Jesus Christ shed for us on the cross and apply it to myself and in spirit, soul and body to wash us clean from all unrighteousness and iniquity due to the sins of our ancestors.

3. **Confession: Sins of my ancestors - Blood covenants made by our ancestors with the enemy**

Jesus Christ, I know that my ancestors were in sun god and moon goddess worship and worshipped the counterfeit Jesus (better known as Tammuz or the antichrist) and that they made blood covenants with the enemy (Satan) whereby they dedicated their descendants (of whom we are part) to either the sun god, the moon goddess or the counterfeit Jesus (or the totality of the false trinity).

I acknowledge that people in my ancestry were part of secret organisations such as the Broederbond, Ossewabrandwag, Freemasons, Illuminati, Jesuits, Knights Templars and many others were simply in paganism. It is custom for these organisations to initiate their members into their fraternity by way of blood sacrifices and blood rituals whereby it is also expected of the members to dedicate their descendants to these deities by way of blood covenants.

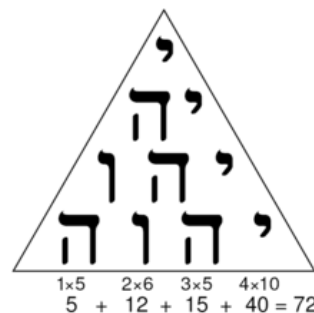

This caused the enemy to have a legal right to me and my descendants and therefore also an open door in the spirit to our lives.

It also had the effect that my name (as well as the names of my descendants) may have been written in the enemy's book of the dead and that callings on the side of darkness may have been declared by the enemy over our lives.

4. Repentance for these sins of the ancestors

Lord Jesus Christ, I acknowledge these sins of my ancestors and repent for it and ask that you will forgive me and my descendants for every:

- blood covenant made with the enemy (sun god, moon goddess and/or the false Jesus or antichrist including with the complete false trinity) whereby the descendants were dedicated to the enemy
- blood ritual done to confirm and enforce the covenant (including the drinking or sprinkling of blood and eating of human flesh as well as sexual rituals including rape and/or sodomy as well as incest)
- blood or other sacrifices made to the enemy to give power to the curse of the covenant
- curse spoken over the blood lines on the strength of the covenant and dedication including the powerful curse based on the unholy so-called name of god, YHVH ("Yod Heh Vav Heh"), included in the tetractys (with its numerology of 72 as well as 666) thereby drawing power from 72 powerful fallen angels (including Lucifer/Satan) as well as the 5 elements represented by the pentagram, the four wind-directions as well as all star constellations in the Zodiac

made with the sun god (Baal, Molech, Rah etc.), the moon goddess (the Queen of Heaven, Lilith, Jezebel, Hecate) and/or the false Jesus (Tammuz or the antichrist) and/or with the complete false trinity.

Lord Jesus Christ, I acknowledge that only the power of your blood shed for me and my descendants on the cross is strong enough to cancel these covenants, dedications, rituals, sacrifices to Satan as well as the curses spoken and that only your blood is able to wash us clean.

5. Request for cancellation of the covenants and dedications by the power of the blood of Jesus Christ

Jesus Christ, in your capacity as the Highest Judge in the spiritual realm I come before your Court of Law and Throne of Justice and I state my case as follows:

- 5.1 You died for me and my descendants on the cross and paid with your blood for the curse of sin and death to be broken off of me and my descendants.
- 5.2 The covenants made by my ancestors with the enemy have been repented for and the blood line curses (sins) renounced and therefore the enemy no longer have any legal right to the lives of me and my descendants.
- 5.3 I therefore request you Lord Jesus Christ to render an order of cancellation of these blood covenants, rituals, sacrifices and witchcraft as well as any dedication to Satan (made by my ancestors with the enemy) and to serve this cancellation order on the enemy.
- 5.4 Please wash me and my descendants clean with your precious blood Lord Jesus Christ of all blood covenants, dedications, blood and other rituals, blood sacrifices and witchcraft as well as curses made by our ancestors including the very strong witchcraft based on the name YHVH and the tetractys as stated above.
- 5.5 Please cancel Lord Jesus Christ each curse over me and my descendants as well as each calling on the side of darkness.
- 5.6 Please remove with your precious blood our names from the enemy's book of the dead. I confirm once again that based upon our belief in you that our names are written in your Book of Life.

6. Application of the blood of Jesus Christ (healing and deliverance)

Jesus, I ask that you bind the strong men that work with these covenants (that have now been cancelled) on my human spirit level and that you cut them loose from all DID parts, demonic spirit and demonic soul copies and also from all power demons and foot soldiers on soul and body level.

6.1 Integration of all DID parts on spirit, soul and body level

Jesus, I now ask that you appear to all DID parts (alters) that formed on my human spirit level (as well as on soul and body level) due to these blood line covenants with Satan (that are now cancelled) and that all these parts will open the doors of their hearts to you Jesus so that you can enter and that they can all be reborn in you Jesus.

I cancel in your name Jesus Christ and by the power of your blood on spirit, soul and body level:

- all DID mind-control programming that came into existence because of these covenants made with the enemy, especially of death and destruction on every level and that I will not be able to stand up in my full calling, identity and authority in you Jesus Christ
- all DID triggers
- all curses and witchcraft (also those base on the *tetractys* referred to above)
- all spiritual, psychological and physical caging

- all spiritual altars and thrones to the honour of Satan and the complete false trinity on DID level as well as all spiritual sacrifices, rituals and dedications done in respect of these altars.

I ask you Jesus to wash all of these DID parts on my human spirit, soul and body level clean with your blood.

Lastly, I ask you Jesus to integrate all these DID parts with my core human spirit, soul and body.

6.2 Removal of all demonic spirit copies and demonic soul copies

Jesus, I ask you to command on my human spirit level all demonic spirit copies of any persons, Nephilim and/or hybrid that worked with these covenants (that are now cancelled) to consolidate to one each. I ask you to sever them from their strong men and from all power demons and foot soldiers and to rip them all out, Jesus.

In your name Jesus Christ, I command all demonic soul copies of all persons, Nephilim and hybrid who worked with these covenants (that are now cancelled) to consolidate to one each and I ask you Jesus Christ to rip them all out on soul and body level.

6.3 The strong men

Jesus Christ, in your name, I cancel the spiritual micro-chips of all relevant strong men (that do not have any more rights in me due to this prayer and the cancellation of the covenants) and I declare that they will now go up in flames.

Jesus, I bind the gatekeepers to all the spiritual places where these strong men hold any captives of me and my descendants (spirit copies as well as soul copies). I ask you Jesus to send in your holy warring angels to seek, find and rescue all these captives and to bring them out. Please wash them clean Lord Jesus Christ with your precious blood of all curses and witchcraft (especially also the witchcraft done on them based on the tetractys referred to above) and set them free.

Jesus, I ask now that you will loosen these strong men from my human spirit, that you will cut them loose from their power demons and foot soldiers on my human soul and body level and that you will come and take each one of them away. Thank you, Jesus.

6.4 Power demons and foot soldiers

Lastly, I bind all power demons and foot soldiers on my soul and body level who no longer have any rights to me and my descendants (due to the cancellation of the covenants) and I bind them all together with a spiritual cord. I command them all in the name of Jesus Christ to leave my soul and body now. Thank you, Jesus.

6.5 Closing of the spiritual portals

Lord Jesus, I ask you to lock with the Keys of the Kingdom all spiritual portals on my human spirit level where these strong men came in. On human soul and body level, I lock with the Keys of the Kingdom all spiritual doors or portals where the power demons and foot soldiers came in.

6.6 Infilling with the Holy Spirit

Jesus, please baptise me once again with your precious Holy Spirit in spirit, soul and body and fill me up once again with your holy presence and your fire (*dunamis* power). Thank you, Jesus.

7. **Thanksgiving**

All honour and glory to you alone Lord Jesus Christ my King and Saviour and to the power of your blood shed for me on the cross. Thank you, Lord Jesus Christ for cancelling these blood covenants, dedications, rituals, sacrifices and witchcraft and for cutting me and my descendants loose from it and for washing us clean with your precious blood.

I now also ask you to restore my human DNA on human spirit, soul and body level and that you will give back everything that was stolen from me Jesus (including spiritual, psychological and physical healing (be specific). Thank you Lord Jesus Christ.

AMEN
