

MINISTERING INNER HEALING AND DELIVERANCE FROM HUMAN SPIRIT LEVEL

THOSE WHOM THE SON (JESUS CHRIST) SETS FREE, WILL BE FREE INDEED (JOHN 8:36)

AIM OF THIS TEACHING

This teaching aims to equip reborn, baptised and Spirit-filled believers in Jesus Christ to pray effectively towards deep inner healing and deliverance from human spirit level downwards (including soul and body level) by the power of the Holy Spirit and the power of the Blood of the Lamb, Jesus Christ (the Tree of Life that is ignited in us).

1. INTRODUCTION

We have been active in the ministry of inner healing and deliverance to our fellow believers in Jesus Christ since 2013. During the first 7 years, we ministered to fellow believers merely on human soul and body level since that was what was taught and what we knew. We also paid a lot of attention to the then relatively new concept in the Body of Christ called “demonic soul copies” (“DSC’s”). Although there were many break throughs on this road of ministry and many people were indeed set free from demonic bondages, there was also some frustration since it often appeared as if the healing and deliverance was short-lived and/or incomplete. Some people that we ministered to fell back into bondage and/or we found that the inner healing that we prayed for (on soul and body level) was somehow not complete. We therefore sensed (in the spirit) that there must be another level of inner healing and deliverance that still needs to be accessed for believers to gain lasting freedom and healing in Jesus Christ.

We also discerned in the spirit that the enemy is keeping us busy with countless demonic soul copies on human soul and body level and (since many of them usually put up quite a theatrical “show”, think of demonic soul copies such as Hitler, Napoleon Bonaparte etc.) the danger was to allow that to continue whilst the actual believer that we ministered to did not gain complete and lasting freedom. In addition to that, it also became clear to us that the enemy is somehow pulling demons and demonic soul copies back into people and we found it very frustrating to have to deal repeatedly (in the same believer) with, for example, the demon of Jezebel and her demonic soul copies of Queen Jezebel from the Bible etc.

We therefore called out to our Lord Jesus Christ in prayer and asked Him to give us more spiritual keys to unlock the bondages that believers find themselves in. Our Lord Jesus Christ was so faithful since He started to reveal to us (Jer. 33:3) after 7 years of battling and persisting in this ministry of inner healing and deliverance that:

- the seed of Satan derived from the Garden of Eden did not only impact our human souls and bodies but also our human spirits
- the strong men demons are on human spirit level
- our human spirits are also shattered and have DID (dissociative identity disorder) and

- inner healing (e.g., hurt inner children and adults) also starts on human spirit level.

It soon became clear to us that inner healing and deliverance can only be complete once we allow Jesus Himself to heal and free us from human spirit level downwards.

This revelation in the Body of Jesus Christ also came at a time when many desperate believers in Jesus Christ have already started to search for healing and deliverance in the wrong places. Many believers who were ministered to before and did not experience lasting healing and deliverance, started to believe the lie from Satan that inner healing and deliverance by the power of the Holy Spirit does not work (or takes too long) and therefore they have turned to various forms of Kundalini-healing including the Scio machine, Quantum healing, muscle testing and many, many more. It is also extremely sad to see how believers in Jesus Christ (who were once passionate for the Kingdom of God) have started to turn away from their intimate relationship with Jesus Christ (and from the power of the Holy Spirit) and have ventured deeper and deeper into the Torah (the Law) and the so-called Torah healing (which is a counterfeit of the truth that only Jesus by the power of His blood can set us free) and is part and parcel of the lie of the Hebrew Roots movement.

THE HEBREW ROOTS MOVEMENT IS CURRENTLY A MASSIVE STRATEGY OF SATAN IN THE BODY OF JESUS CHRIST TO LURE THE BRIDE OF JESUS CHRIST AWAY FROM THE TREE OF LIFE (JESUS CHRIST) AND IN THE DIRECTION OF THE TREE OF KNOWLEDGE OF GOOD AND EVIL (LUCIFER), JUST AS IN THE GARDEN OF EDEN! A STRATEGY AS OLD AS TIME AND MAN FALLS FOR IT ONCE AGAIN!

We therefore declare to those of you who have grown weary of the long, long road to freedom in Christ Jesus the GOOD NEWS that this new level of ministry (that the Holy Spirit has taught us) will BRING NEW HOPE TO MANY WHO HAVE ALMOST GIVEN UP HOPE.

2. HOW DOES THIS TEACHING DIFFER FROM IIC'S PREVIOUS TEACHINGS?

This teaching is from a completely different angle than our initial "warrior school" teachings since:

- We admit that we are unable to heal and deliver on human spirit level and that it is only Jesus Himself (through the power of His Holy Spirit) who does all the work. We may simply ask by praying (Mat. 7:7; Luk.11:9).
- Ministering inner healing and deliverance by RELYING ON YOUR OWN KNOWLEDGE (OR RESEARCH), WISDOM OR INSIGHT WILL NOT BRING YOU ANYWHERE. INTELLECTUALISM, PRIDE AND A KNOW-IT-ALL MENTALITY WILL NOT ASSIST WITH THIS LEVEL OF MINISTRY AT ALL. All that is required (to the contrary) is a simple childlike faith in Jesus Christ and a complete trust and reliance on the Holy Spirit.
- The focus has therefore very much shifted from demonic soul copies (DSC's) to inner healing in the first place (starting from human spirit level) and acknowledging the powerful impact of DID parts especially on human spirit level. When ministering inner healing and deliverance from human spirit level, dealing with demonic soul copies and demonic spirit copies (the same concept than demonic soul copies but merely on human spirit level) becomes a mere "mopping up" process and makes the process of inner healing and deliverance much more efficient and effective.

Therefore, gone are the days of spending hours and hours on demonic soul copies just to find that the believer is still struggling with the same issues. Now Jesus Himself does the work from

human spirit level and the process of inner healing is a far more life-giving and positive experience for both the person praying and the person receiving.

Thank you, Jesus Christ, for revealing this knowledge to us by the power of your Holy Spirit!!

3. WE LEARNED A LOT FROM DEMONIC SOUL COPIES

Our loving Lord Jesus Christ promises in His Word that He will make everything work out for our good, even that which the enemy has planned for our harm. We now know (looking back) that Jesus allowed the period of dealing with countless demonic soul copies (DSC's) since we learned a lot from them and under the anointing of the Holy Spirit (standing in the witness box of our Lord Jesus Christ in His Court of Law and having to testify the truth!) they (the DSC's) spilled a lot of the beans concerning the enemy's kingdom and his strategies against believers.

True to the Word of God, as stated in Zechariah 4:10, we therefore do not despise the days of small beginnings (having to struggle through legions of demonic soul copies) since it was a very valuable learning school for us and all who journeyed with us. Our faith and endurance was also tested to the core and we came out stronger than before on the other side. Again, we can just give all honour and glory to our Father in Heaven and to our Healer Jesus Christ and to the precious Holy Spirit for teaching us and helping us to persevere until now. It is truly just grace!

Ezekiel 36:11 also proved to be true for us after persevering through a period of severe testing and trials namely that: *"I will ... do better for you than at your beginnings. Then you shall know that I am the Lord."*

Thank you, Jesus Christ!!

4. WHAT IS INNER HEALING AND DELIVERANCE FROM HUMAN SPIRIT LEVEL AND HOW DOES IT DIFFER FROM PRAYER MINISTRY AND DELIVERANCE ON SOUL AND BODY LEVEL?

Inner healing and deliverance from human spirit level is an approach to inner healing and deliverance by the power of the Holy Spirit that simply accepts that -

- The deepest level of inner healing lies on human spirit level and therefore inner healing and deliverance can only be lasting and complete if it starts from human spirit level and then works through to soul and body level;
- Jesus is on the throne of our hearts (our core human spirits) and, as such, only He can bring inner healing and deliverance from human spirit level;
- Our human spirits are also broken (have DID) and therefore also needs healing, restoration and deliverance;
- The strongest demonic bondage (the strong men) is on human spirit level; and
- We cannot cast out demons on human spirit level, but Jesus can take them away, if we pray and ask.

The difference from the inner healing and deliverance that we were used to in the past is that when inner healing and deliverance is ministered from human spirit level, Jesus takes the driver's seat and we (as the believers who pray and ask) take the back seat. We simply ask and Jesus does all the hard work. We may therefore enter the rest of God and stand on the complete work that Jesus has done for us on the cross with His powerful blood.

5. PREPARATION FOR THIS TEACHING

Ministry from human spirit level downward is “next level” healing and deliverance but all the groundwork should be done first before you venture into this level of ministry. Our previous teachings and Warrior School is therefore still very much relevant and believers in Jesus Christ who may for the first time be exposed to inner healing and deliverance should not start with this teaching but with the ones that came before to have a proper foundation of knowledge and repentance, thereby removing the rights of the enemy. Remember that deliverance comes through knowledge¹.

The ambit of this teaching therefore does not allow us to repeat what we have already set out in our previous teachings that are all freely available on our Web Page (www.ignitedinchrist.org) and on our YouTube channel. We therefore refer the reader to:

- All IIC’s first season teachings together with the renunciation prayers

This is important since our God, Jesus Christ, is a righteous God and He will not deliver you from the enemy’s captivity or bondage if the enemy still has a legal right to you. Therefore, if you have not yet repented of your own sin and have turned away from it and have not yet repented for your ancestors’ sin so that the blood line and other curses may be cancelled over you in spirit, soul and body, there is no way that Jesus will remove the enemy and that specific stronghold on human spirit level. THIS LEVEL OF MINISTRY IS THEREFORE ONLY APPROPRIATE FOR BELIEVERS IN JESUS CHRIST WHERE THE GROUNDWORK HAS ALREADY BEEN DONE. Remember, you first know the truth and then the truth will set you free².

- All IIC’s second season teachings:
 - Impact of the seed of Satan on humans;
 - Deliverance on human spirit level – the strong men; and
 - Demonicallly programmed DID on human spirit level.
- A basic knowledge of DID (dissociative identity disorder) is also necessary.

The knowledge contained in these teachings is of utmost importance since it forms the foundation for this teaching and we merely build further upon it. We will therefore assume that the reader of this teaching already understands the spiritual concepts that we have explained in these teachings and have a basic knowledge of DID.

Looking back over the spiritual journey behind us, we may say that believers in Jesus Christ do not have to spend too much time on the concept of demonic soul copies, other than merely knowing what it is, how it differs from something like DID and how to deal with them. In the process of deliverance from human spirit level it has, to a significant extent, become unnecessary to talk to each demonic soul copy (as we have done in the past). Only in the odd occasion, here and there, will the Holy Spirit guide us in the direction of first dealing with a specific demonic soul copy or demonic spirit copy. It may also happen that a certain demonic soul copy in a person that you are ministering to comes out and presents itself to you and then you have to know what it is and how to deal with it.

6.1 Human spirit, soul and body and its inter-connectedness

Our wonderful creator God has created us as triune human beings and in His image. Our triune nature lies in the fact that we have a spirit, a soul and a body.

Our spirits are those parts of us that came from God and has always lived and will also always live (eternally). Our souls are also eternal and will live forever but our souls were created (came into being) at conception in the womb³. Our bodies are the fleshly home for our souls and spirits to enable us to live as human beings on earth and to relate to and experience the natural realm around us. Your body is also the temple of the Holy Spirit in you (1 Cor. 6:19) and therefore you should take good care of your body and keep it holy.

³ Gen. 2:7

Your soul and body are attached to your human spirit with a silver cord and will only be loosened from your human spirit the day that you die (Ecc. 12:6). Then your spirit will go either to heaven or to hell and your body will return to dust (Ecc. 12:7). Your soul is also eternal and therefore its eternal destination will also be either heaven or hell. The human spirits of people who astral travel (only possible by demonic power and at the will of the individual) leave their bodies and travel around in and on the spiritual plains. This (astral travelling) is something a child of God may never get involved with since it involves Satanic power.

Our human spirits are where the life force of God, Jesus Christ through His Holy Spirit, is seated. He, Jesus through the Holy Spirit, is the Tree of Life in us. When we accept Him as our Saviour and King and invite Him into our hearts (spirits), our human spirits get reborn and the complete Tree of Life design in us (Himself through the power of the Holy Spirit) gets ignited in us from human spirit level. If we are then further obedient in the baptism of believers (by full immersion in water) and receives the baptism of the Holy Spirit, this ignition of the Tree of Life (Jesus Himself) in us and all its spiritual power is carried through in us to soul and body.

Our spirits are spiritual in nature and our souls and bodies are flesh. However, through the design of the Tree of Life (Jesus Himself) in us and the power of the Holy Spirit, the three dimensions of our being are inter-connected. In a reborn and baptised (by full immersion in water) believer in Jesus Christ, the healing power of the Holy Spirit (the Living Water of God) may flow from human spirit level to the human soul and body bringing about healing, deliverance and restoration on all three levels of our being.

6.2 The human heart (spirit)

The human spirit is the very core of our being and it is also in the human spirit that the seed of God (Jesus Christ, our Tree of Life) is seated. The seed of God (the Tree of Life) germinates on human spirit level when we are reborn in Jesus Christ and then its power also reaches to soul and body level when we are obedient in the baptism of believers and receives the baptism of the Holy Spirit. It is therefore in our human spirits that we get reborn when we accept Jesus Christ as our Saviour and we invite Him into our “hearts” (spirits).

We have always thought (erroneously) that when we get hurt, it is merely our souls and bodies that experience the hurt, trauma or shock. We were deceived to think that our human spirits are whole, unblemished and unable to experience hurt and/or trauma.

The Holy Spirit has taught us that when we get hurt or experience any form of shock and trauma, the point of impact is first spiritually at the level of our human spirits and then, secondly, it also impacts our soul dimensions and, lastly, it may also affect our bodies by way of illness or other infirmities.

The most sensitive part of our being is our human spirit. Every time we get hurt or experience trauma or shock, it is first felt on human spirit level and then it also affects soul and body. Inner healing on human spirit level may also be compared to the removing of a thorn from human flesh. Inner healing that only takes place on soul and body level is like removing a thorn by breaking it off on skin level (or just under the skin). For a while it may appear and even feel as if the thorn was removed but over time the pain will return and will not go away completely until the thorn is removed below the skin there where it has penetrated (namely on human spirit level). Only then can the wound heal completely and will the healing be lasting.

We have therefore always overlooked the fact that our spirit person gets hurt in the first instance when we are exposed to hurt or trauma. If we therefore neglect to ask Jesus to also heal the spiritual wounds to our spirit person, the healing is only “on the surface” namely on soul and body level and therefore not complete.

Prov. 15:13: ... *but by sorrow of the heart the spirit is broken.*

Prov. 17:22: ... *but a broken spirit dries the bones.*

6.3 The human spirit also needs healing and deliverance

It is already evident from our previous teachings namely *Impact of the seed of Satan, Deliverance on human spirit level* and *DID on human spirit level* that our human spirits are also in need of inner healing and deliverance.

This is also underpinned by the Word of God in 1 Thes. 5:23 that reads: “*Now may the God of peace Himself sanctify you completely; and may your whole spirit, soul and body be preserved blameless at the coming of our Lord Jesus Christ.*”

In addition to these teachings, it has also become clear to us that every hurt inner child and hurt inner adult should be addressed as deep as human spirit level since it is on human spirit level that the actual sting of the hurt and trauma lies. This can only be done by Jesus Christ Himself by the power of the Holy Spirit and therefore no psychological or medical treatment is able to bring us deep inner healing on this level. All praise, glory and honour therefore only to our Lord Jesus Christ, the King of our hearts!

6.4 The Healer/Deliverer on human spirit level

The Healer and Deliverer on human spirit level is Jesus Christ Himself, through the power of the Holy Spirit (the Tree of Life) in us.

Some in the Body of Christ may want to say: “*Who are we as human beings to dare minister on human spirit level where Jesus lives in our human spirits?*” Our answer to this is that we agree that demons may not be cast out of our core human spirits since it is where Jesus has the seat of His throne in us (i.e. in our core human spirits since the time that we got reborn), however, surely, we may pray and ask Him to take away the strong men demons that are attached to our human spirit on human spirit level?

We believe that this is what the Scripture in John 8:36 means namely that only when Jesus Himself does the work by healing and delivering us (from human spirit level) then we will be free indeed.

John 8:36: *Therefore, if the Son makes you free, you shall be free indeed.*

Although it is also Jesus (by the power of His Holy Spirit) that heals and delivers us on human soul and body level, there is also some action necessary from our side, especially with deliverance. Casting out demons on human soul and body level may sometimes end up in a physical struggle since the strong men demons (together with some strong demonically empowered DID parts) are still present on human spirit level.

On human spirit level, we do not cast out demons but merely ask Jesus to take the strong men away. We also do not call the hurt inner children or adults on human spirit level out, but we

ask that Jesus, through the power of the Holy Spirit, should bring the hurt inner children and adults out.

This enables us to enter the rest of God (Heb. 4:3) while we simply ask Jesus to do the work by the power of His Holy Spirit. This process of inner healing and deliverance from human spirit level is therefore much “softer” (less aggressive) and less tiring (and dangerous) for both the deliverance minister and the believer that is being ministered to. Thank you, Jesus!!

6.5 Benefits of ministering inner healing and deliverance from human spirit level

Inner healing and deliverance for us at Ignited in Christ has gone to a whole new level since our Lord Jesus Christ taught us that we should ask Him to do it from human spirit level. We see a lot more lasting and permanent break-through and the whole experience is more peaceful and much calmer. Gone are the days of calling out endless demonic soul copies on soul and body level and addressing them, just to find that the believer whom we ministered to has still not found lasting freedom in Jesus Christ. Gone also are the days of wrestling with power demons on human soul level and being humiliated by experiencing their force and tenacity. We had to persevere a lot and we had to keep on asking our Lord Jesus Christ for more, until we learned that a whole new level of inner healing and deliverance awaits us from human spirit level.

However, and here is the cautionary, DELIVERANCE MINISTERS AND/OR TEACHERS IN THE BODY OF CHRIST WHO HAVE BECOME USED TO DEALING WITH INNER HEALING AND DELIVERANCE BY DEPENDING MOSTLY ON THEIR OWN INTELLECT, RESEARCH, KNOWLEDGE OR POWER, WILL NOT BE ABLE TO FUNCTION ON THIS LEVEL OF INNER HEALING AND DELIVERANCE AT ALL, SINCE A VERY HIGH LEVEL OF CHILD-LIKE FAITH AND UTTER DEPENDENCE ON THE HOLY SPIRIT IS NECESSARY. WE MAY RIGHTLY CONCLUDE THAT PRIDE AND SELF-RIGHTEOUSNESS AS WELL AS A KNOW-IT-ALL MENTALITY WILL RENDER THIS PROCESS STERILE FOR THE BELIEVER WHO ARE IN THE CLAWS AND FANGS OF LEVIATHAN. Only when we humble ourselves and repent of our own pride will we be able to operate on this level of ministry.

We may summarise the benefits of inner healing and deliverance from human spirit level as follows:

- We remain in the rest of God (Heb. 4:3) and Jesus Himself (by the power of the Holy Spirit, the Tree of Life in us) does all the work – we only ask;
- It is a much “softer” process (less traumatic) for the believer who is being ministered to due to much milder manifestations;
- The process is also less traumatic for the believer who ministers the inner healing and deliverance since there is seldom a battle with demons and stubborn demonic soul copies (as we used to experience in the past);
- The inner healing and freedom obtained is much more permanent and complete; and
- The processes of inner healing and deliverance from human spirit level is something that every believer in Jesus Christ may pray for themselves in their inner room with only the Holy Spirit as their Counsellor and Jesus as their Healer and Deliverer.

It is therefore clear that this process equips the Bride of Jesus Christ immensely and that it will therefore enable more people to gain freedom in Jesus Christ, even in times when they may be isolated due to a lock-down or other restrictions. Thank you, Jesus, for this timeous revelation!

6.6 Breaking the chains on human spirit level: Cancellation of blood line curses as well as blood covenants with the enemy on human spirit, soul and body level

Our Lord Jesus Christ is a righteous God. Therefore, if the enemy should still have legal rights over your life, either due to your own sin or the sins of your ancestors, then those legal rights should first be removed before our Lord Jesus Christ will take the demonic agents of the enemy away.

It is therefore important that believers should first work through all IIC's previous teachings (especially those concerning the various bloodline curses) and that they should pray the renunciation prayers (also including human spirit level). These include the following:

- *Wash your spiritual DNA in the blood of the Lamb, Christ Jesus;*
- *The curse of Freemasonry (and the Lewis Curse);*
- *Geestelike Erfenis van die Afrikaner* (the bondage of Freemasonry in the "Afrikaner" due to their spiritual and cultural heritage here in South Africa);
- *The evil stronghold of Athaliah, Jezebel and Ahab* (sun god worship – Baäl);
- *The evil stronghold of the Queen of Heaven – Ladies Faith, Hope and Charity of the Freemasons* (moon goddess worship);
- *Kundalini awareness* (counterfeit holy spirit); and
- *The stronghold of Pride* (Leviathan) (only in PDF).

In addition to the above, it is important that every believer should also confess and repent for the blood covenants, rituals and sacrifices that were made by our ancestors with the enemy whereby their descendants were dedicated to various demonic authorities (as is done in, for example, Freemasonry, the Broederbond and the occult). In this regard, we refer believers to our prayer (freely available on our web page) to cancel these blood covenants and dedications that took place in our ancestry.

Only once these blood line and other rights of the enemy have been cancelled, then the believer would be ready to continue with this inner healing and deliverance process, from human spirit level.

6.7 The process of inner healing and deliverance from human spirit level

All of us as believers in Jesus Christ have unhealed hurt and/or trauma. It is merely the levels of hurt and trauma in believers that vary. If you feel that there is no inner healing to be done, we can promise you that you are being deceived by the enemy and that you should therefore continue to pray and ask our Lord Jesus Christ to reveal it to you.

We have found in ministry that some of the most beautiful and sincere believers in Jesus Christ (who would have the least expected it) were, for example, raped or sodomised as a child either as mere childhood abuse or as part of an occult initiation (e.g. by someone in the Freemasons, Broederbond or Ossewabrandwag). This illustrates to us how important this part of inner healing is since a believer who has been initiated into the occult as a child by way of sodomy will not gain complete freedom in Jesus Christ if this inner healing is not first dealt with. The enemy gains strong rights over a believer due to such initiation rituals and this SRA type of trauma often gives rise to multiple DID parts on human spirit and soul level

6.7.1. ***Deep inner healing from hurt, trauma and shock - Hurt inner children & hurt inner adults***

The process of inner healing and deliverance should always start with the inner healing of hurt inner children and adults.

As mentioned above, the human spirit is the most sensitive part of a human being and therefore the hurt lies primarily on human spirit level. One can almost compare it with the ripple effect caused when a pebble is thrown into the water. The impact of the hurt, shock or trauma is first experienced on human spirit level and then it has a secondary effect on human soul and body level. Often the hurt that impacted our spirits and souls culminates outwardly in our bodies in the form of some infirmity or illness.

Believers in Jesus Christ often seek to gain physical healing from illness or infirmity (e.g. an auto-immune disease such as *Lupus*, *Hashimoto's* or other infirmities such as high blood pressure, epilepsy etc.) but what they should know is that every physical illness has a spiritual root to it (since everything first starts in the spirit) and therefore we should first seek deep inner healing on human spirit level and only there after the outward manifestation of the psychological and physical healing will follow.

Readers of this teaching are referred to our complete teaching about hurt inner children and hurt inner adults where we explain in length what these spiritual concepts are. This has not changed at all, with the only exception that we now know that hurt inner children and adults are also to be found on human spirit level and should be addressed from human spirit level downward to soul and body level for believers to gain complete and permanent healing.

In brief, a demonic hurt inner child or adult on soul and body level is essentially the same than a demonic soul copy with the most significant difference that, in this case, it is a demonic soul copy of yourself at a certain age and your own hurt and/or trauma is locked up in this hurt inner child or adult on soul level. In this way, the enemy seeks to keep the hurt and trauma alive in your soul and body.

Our Lord Jesus Christ has shown us that this exact concept is also relevant on human spirit level in that when we get hurt, our spirit person gets hurt in the first instance and that causes a ripple effect outward to soul and body. A hurt inner child or adult on human spirit level is therefore the same than that on human soul level with the only difference that, this time, it is a demonic copy of your own human spirit at a certain age and moment when the hurt or trauma took place and wherein the enemy locked up (on human spirit level) the hurt and trauma to prevent healing from taking place.

We have already found numerous hurt inner children and hurt inner adults on human spirit level in believers to whom we have ministered. Often the healing has already come on human soul level due to previous prayer ministry, but the hurt remained locked away by the enemy on human spirit level. These experiences confirmed to us that, irrespective of whether you have been prayed to in the past (with regards to trauma) or not, if that prayer ministry did not go as deep as the human spirit, the tip of the spiritual thorn remained in your spiritual flesh containing the very deeply seated hurt inner child or adult on human spirit level.

The process of dealing with hurt inner children and adults from human spirit level

It is best to explain this process by way of an example: *A man called Ben was sexually molested as a child when he was 5 years old by his grandfather who was a 33rd degree Freemason.*

We may rightly so not minister inner healing to the core human spirit since it is the seat of Jesus' authority in us by way of the indwelling of the Holy Spirit. However, we may ask Him to heal us on human spirit level. Here follows how we may ask Jesus in prayer to heal us in our inner most being namely our human spirits:

- Ask Jesus to bring the hurt inner child of 5 years old out on human spirit level. Often this hurt inner child on human spirit level will be too shy, scared, self-conscious or ashamed to come out by himself. We then ask Jesus to appear to the child on human spirit level and to assure the child that he has nothing to fear and that this process may be trusted.
- When the little hurt inner child then comes out, immediately ask Jesus to hold the child's hand or to just be with him and to comfort him. When the child is calm and peaceful, you may continue.
- Ask Jesus to allow the hurt inner child to see what happened to him, although not in the first person but in the third person (as if it happened to someone else whilst at the same time realising that it happened to him).
- Ask the child carefully and in a soft voice to tell you what Jesus is showing him. If the child should then start to cry, ask Jesus to comfort the child and to show him that he is safe and that nothing will be able to hurt him now. If necessary, ask Jesus to seal the little hurt inner child off in a spiritual bubble and to fill it with His holy presence and protection.
- When the child has calmed down, ask the child again if he would share with you what he is seeing or experiencing. Often this hurt inner child on human spirit level would merely say something such as: *"I am scared"* and/or *"He is touching me!"* and/or *"My grandfather enters my room, and it is dark"* or something among these lines. Keep on prompting the child to tell you more until it is clear what happened although all the graphic detail is not that important.
- Then ask the child what he is experiencing and feeling. The following are possibilities that may come out: *"I am scared"*, *"I do not like what my grandfather is doing"*, *"I am confused"* etc. The child may even start to cry or scream hysterically. When this happens, ask Jesus to put a wall of fire between the child and the perpetrator (grandfather) and to show the child that he is safe now and that his grandfather would not be able to come near him now.
- When the child has calmed down and you have a fair idea of what happened and who the perpetrator was, then ask the child in a soft voice whether he would be prepared to forgive his grandfather and to set him free. If the child is prepared to do this, then pray with him the prayer of forgiveness. If the child believed any lies of the enemy due to the incident such as being dirty or unworthy, then ask Jesus to show the child the truth about himself and then cancel the lies of the enemy in the name of Jesus Christ.
- Ask Jesus then to come and wash the child clean with His blood from all unworthiness, shame, hurt, filthiness, confusion, fear and anxiety etc. (This is powerful and only the blood of Jesus shed for us on the cross can do this!) As Jesus washes the child clean with His blood, you will notice how the child becomes increasingly more peaceful and tranquil until the child is completely quiet and peaceful.
- It may be that there are demonic spirit copies inside the inner child of his grandfather who molested him. This may, for example, be the case if the grandfather was a Freemason and the child was sodomised, raped or merely molested either as part of

a ritual or not. If the Holy Spirit shows you that this is the case, then command the demonic spirit copy of the grandfather to consolidate to one copy in the hurt inner child and ask Jesus to rip the grandfather out of the inner child on human spirit level. This can however only be done after the inner healing has already taken place.

- The inner child on human spirit level (but also simultaneously on human soul and body level) will now be ready to be taken away by Jesus. When the inner child has gone with Jesus, the inner healing regarding this trauma is done from human spirit level downwards (i.e. also including soul and body level).

It is clear and should be remembered that when we pray this process of inner healing to the hurt inner child on human spirit level it is important to simultaneously include the hurt inner children on soul and body level so that the healing will take place on all three dimensions of our humanity simultaneously.

Reasons why a hurt inner child or adult may not come out

A hurt inner child or adult does not always have to come out and talk to you. The manifestation of a hurt inner child or adult differs from person to person. In some people the hurt inner child or adult will clearly come out and identify itself as the hurt inner child or adult and speak to you in all mannerism of the hurt inner child (such as showing his or her age by using their fingers etc.). In someone else, the hurt inner child or adult may not manifest clearly but you will, by using your gift of discernment, still be able to pick up that the hurt inner child or adult has come out. If the Holy Spirit shows you that there is no spiritual block to the process, then merely continue to minister to the hurt inner child or adult on human spirit level in faith (i.e. without any outer manifestations).

However, in some cases where the hurt inner child or adult does not come out, the Holy Spirit may show you that there is something that is spiritually blocking the process and that is preventing the hurt inner child or adult from coming out and receiving healing. The enemy may, for example, use any of the following to prevent the hurt inner child or adult from being healed:

- An SRA-type of DID part, also on human spirit level. In a lady that was sexually abused from an early age by her father's brother (her uncle) we found two SRA-type of DID parts on human spirit level who wanted to prevent the hurt inner children from coming out. SRA means Satanic Ritual Abuse and indicates in this concept a different layer of DID that was caused primarily by extreme trauma and that operates as a totality different personality than the core person (or ID book personality). The first SRA type of DID part on human spirit level that we encountered when we called them out on human spirit level was a big brown and hairy dog. The dog came out and said that it "came to her" when she was first molested by her uncle and could not cope with the trauma. It said that its function was to protect the hurt inner children from the trauma by laying down with the children and comforting them but also by scaring off and biting anybody that would come near the children. We had to ask Jesus to appear to this dog DID part on human spirit level and to show the dog that Jesus was stronger than it and that Jesus promised to protect the hurt inner children. The dog then agreed that Jesus was stronger than it and that Jesus should take over its job of protecting the children and then this DID part of the dog could be integrated by Jesus with her core human spirit, soul and body.

The other SRA-type of DID part on human spirit level that tried to prevent the hurt inner children from coming out was a woman who said that she had to hold the little hurt inner children close to her chest and that (in this way) she should protect them from the trauma. She also submitted to Jesus' authority and accepted that He will protect the children and heal them.

Only when both these SRA-type of DID parts were fully integrated with the core of the woman's human spirit, soul and body, could the hurt inner children come out to Jesus and receive healing.

- Witchcraft and caging due to unbroken ancestral blood covenants – The hurt inner children on human spirit level may be caged due to witchcraft but essentially due to the fact that there are still blood covenants (made by either the person themselves or their ancestors) in place that give the enemy a right to “hold on to” the hurt inner children. If this is what the Holy Spirit shows you, then you will first have to lead the person you are ministering to in prayer to break the blood covenants made with the enemy including to cancel any blood rituals and sacrifices made and to cancel any curses spoken over the blood lines. The Holy Spirit's guidance should be followed in this regard and the prayer on our web page to break ancestral blood covenants may be used.
- The person him- or herself (the ID-book personality) does not want to face the reality of the trauma – We have had more than one case in ministry where the Holy Spirit has shown us that the believer's father raped him/her when he/she was a child and the Holy Spirit even brought the hurt inner child out on human spirit level. The hurt inner child however in each case drew back since the woman said: *“I do not know if I want to know the truth...”* and the man also did not want to believe it and therefore the hurt inner child withdrew. Our Lord Jesus Christ is a gentleman and will never force a process on any believer in Him. Only if we ourselves are willing to face the truth that Jesus wants to heal us from, will the Holy Spirit reveal it and will the hurt inner child or adult come out. In other words, if we want to live in denial of the truth, then Jesus will not bring out and heal the hurt inner child or adult.

6.7.2 *Demonically programmed DID on human spirit level due to hurt, shock and trauma*

Dealing with the hurt inner child and/or hurt inner adult from human spirit level downward is merely the first step in the inner healing process. The reason here fore is that due to the seed of Satan in us, our human spirits, souls and bodies are so vulnerable that the hurt, trauma or shock also (in addition to the hurt and trauma that are being captured inside of an inner child or adult) has a shattering effect on our human spirits, souls and bodies.

It can be explained in the following way: When you throw a stone towards a mirror, the mirror would shatter due to the impact of the stone. The hurt inner child and/or adult may be compared with the place where the stone impacted and therefore the hurt inner child or adult should first be addressed before the rest of the mirror may be repaired by putting the shattered parts back together again. In DID terminology this putting back of the shattered parts is called integration into the core.

After the hurt inner child and/or adult has therefore received healing on spirit, soul and body level and Jesus has taken him or her away, it is now time to address the demonically

programmed DID that was created by the strong men demons due to the impact of the hurt, trauma and/or shock.

It is important to remember that there are various levels and layers of DID and that not only one layer or level of DID forms due to trauma. Here it is impossible for us or anyone to tell you how many different layers of DID there would be due to a single trauma incident. Only the Holy Spirit would be able to show in each case and the believer in Jesus Christ would have to follow the guidance of the Holy Spirit. According to our experience so far, there are often both demonically programmed DID as well as SRA (Satanic Ritual Abuse) type of DID in a person on human spirit, soul and body level due to hurt, trauma and or shock.

Let us however first deal with the demonically programmed DID on human spirit level. Here again (as always!) you will have to ask the Holy Spirit what the DID on human spirit level consist of that was formed due to this trauma of Ben being sexually molested by his grandfather at the age of five.

What you can however know for sure is that there will be a demonically programmed DID part of his grandfather who molested him (whether deceased or still alive) on human spirit level (as well as on soul and body level) that keeps any number of DID parts of Ben (as a 5-year-old child) captive underneath him. These DID parts of Ben on human spirit level would in all probability be constantly molested in the spirit by the DID part of the grandfather. These DID parts together with their mind-control and programming would cause the emotions (that were locked into the hurt inner child on spirit, soul and body level and that was taken away by Jesus) to remain alive in the adult Ben on spirit, soul and body level.

This explains to us why many believers who have already undergone inner healing of hurt inner children and adults (but without the DID being dealt with) are still experiencing the hurt, the shame and trauma of the incident and therefore may doubt their healing in Jesus Christ. The DID parts on human spirit, soul and body level may also (because of emotions and trauma that are still locked into them) continue to have a direct effect on Ben's body since he then still suffers from e.g. self-rejection and self-hatred causing more than one auto-immune disease in his body. The fear and anxiety that are still locked into the DID parts on spirit, soul and body level, may also still affect his soul and body in the form of anxiety attacks, depression and sweaty hands and feet.

Process to deal with demonically programmed DID from human spirit level

As mentioned above, it would be safe to expect that the perpetrator would be there as a demonically programmed DID part on human spirit level since the strong men demons want the trauma and shock of the molestation as well as the unworthiness and feeling of being dirty to continue. Therefore, the process may be started by asking Jesus on human spirit level to bring out the DID part of Ben's grandfather on human spirit level.

You may then expect the DID part of the grandfather to come out under the anointing of the Holy Spirit and by the hand of Jesus Himself on human spirit level. When the grandfather comes out you may ask him whether he is the host (controlling part) of the DID parts or whether there is a different host above him. The host in DID terminology is the managing part of the DID parts that split off from the core human spirit due to the trauma incident. If one may think of this level of DID as a pyramid, then the host DID part may be seen as the capstone of the pyramid (the one that is "on top" and that is controlling and/or managing the other DID parts below it). The other DID parts that are also strong but not as strong as the host may form

the first layer of parts below the host (in the pyramid structure of parts) and then the various DID parts of Ben would be the lower parts in the structure that are being managed or controlled by the host.

If the perpetrator says that he is the host, then ask whether there is other DID parts below him. Often the answer will come that there are indeed various DID parts of e.g. Ben below him that he has control over. You may then ask what he (the grandfather) does with these parts of Ben below him (or what effect he has on them). Often the answer will come that he keeps on molesting them or that he reminds them constantly of the incident of the molestation, that he keeps them in fear and anxiety and that he reaffirms the trauma and shock. He may also say that he makes the little children below him feel ashamed and unworthy. It can also be that the host DID part of the grandfather causes sexual confusion in the DID parts of the children below him and makes them think (through mind-control and programming) that they are gay (i.e. homo-sexual).

The DID part of the grandfather on human spirit level may however also admit that he is not the host but that there other DID parts are above him. Often this would indeed be the case and the reason here fore is that we should remember that the grandfather was also being used by demonic forces to commit the sexual molestation on the little boy. Often the demonic force that is behind the molestation is a nephilim or hybrid that is being controlled by the strong man Baphomet or Lilith or Asmodee and usually the nephilim would be the host on top of this layer of DID's. The host DID part on top may also be Lucifer himself (i.e. the "*great architect of the universe*" of the Freemasons) but then also in the form of a hybrid (usually in the form of a hybrid snake or dragon).

Be it as it may, follow the guidance of the Holy Spirit and call out the host DID part on human spirit level. After asking a couple of questions to establish the stronghold and its effect on the actual "ID Book person" in front of you, then ask Jesus to appear in the spirit to the host DID part as well as all the DID parts below it on human spirit level (but also on soul and body level).

We have not yet found any DID part (including that of Lucifer or Satan himself in the form of a nephilim or hybrid) that could resist the manifest presence of Jesus and who did not bow before Him and His authority. Therefore, you may ask all of these DID parts then to open the doors of their hearts to Jesus so that He may come in. This will enable all of these DID parts to become spiritually reborn in Jesus Christ. The process relating to demonically programmed DID is easy compared to the SRA type of DID in that you require less coöperation from the DID parts themselves. When they see Jesus in the spirit and the underlying trauma has been dealt (by way of the hurt inner children and/or adults) they usually just submit and allow Jesus to enter and to become reborn.

At this stage, you may then simply cancel in the name of Jesus Christ on spirit, soul and body level the following:

- The DID mind-control and programming concerning the incident of the molestation when Ben was 5 years old including that of fear, anxiety, feelings of being unworthy, dirty, unclean, depressed, hopeless, unforgiveness, bitterness, hatred, self-rejection and self-hatred, sexual confusion etc.;
- The witchcraft and curses as well as any dedications, sacrifices and rituals done on the DID parts of Ben;
- The DID triggers that are working with each level of the DID; and

- The spiritual, emotional, mental and physical caging and entrapment around each DID part.

Lastly, you may ask Jesus to wash all these DID parts clean with His blood and to command all demons (according to the specific stronghold) to leave them. When all manifestation has stopped, you may ask Jesus to integrate them back into the core human spirit, soul and body and to seal the integration off with his blood.

6.7.3 SRA type of DID on human spirit level due to hurt, shock and trauma

We have often found (when ministering inner healing and deliverance to fellow believers) that more than one type of DID is involved due to a single trauma incident. The reason here fore is that our human spirits (as well as our souls and bodies) have been made so vulnerable due to the seed of Satan in us that we may truly shatter in spirit and soul due to just the slightest incident of trauma.

Another type of DID that is almost always also relevant when there was trauma, shock or hurt is the satanic ritual abuse (SRA) type of DID. This type of DID is not limited to satanic ritual abuse but we may find it whenever someone was the subject of serious trauma. The definition of “serious trauma” will differ from person to person since each person is different and it may very well be that something which is serious trauma to me is not trauma at all to someone else. However, we typically think here of trauma such as ritualistic and other rape, gang rape, sodomisation, extreme abuse, molestation and torture etc. We have however also found SRA type of DID parts in people who have experienced (what we would consider to be) mild trauma such as rejection by friends as a child, unfair treatment at school by a teacher, harsh words spoken by a parent etc.

We suspect that the reason each person’s experience of trauma is different is because people are not equally sensitive and that has everything to do with the nature of our spirit persons and personalities (soul dimensions). There is however also another factor that we have experienced plays a role in the severity of DID to be found in various people and that is the level of iniquity in the blood lines and especially the intensity of the seed of Satan that entered, not only through the Fall in the Garden of Eden but also through the sexual intercourse by the ancestors with the Nephilim and hybrid (initially the fallen angels but also there after the “giants” (nephilim and hybrid)).

So how does SRA type of DID on human spirit level (according to our experience) differ from the demonically programmed DID?

Demonically programmed DID	SRA type of DID
Not completely different personalities from the core (ID book personality) but merely a demonically empowered DID programme consisting of various DID parts controlled by a host DID part.	A completely different personality from the core (ID book personality) with either a different name than the core or the same name.
Relatively easy to deal with in Jesus’ name and with His power if all the rights have been taken away by way of repentance, renunciation, breaking of blood covenants, inner healing etc.	More difficult to deal with since the separate personality should be evangelised first and must be convinced that it may trust Jesus and the process.

Individual DID parts are merely demonically programmed and do not have such a strong will of their own.	DID parts are also programmed and mind-controlled but has a much stronger will of their own.
You do not necessarily have to win the trust of every separate DID part before integration can take place since it can be done only by dealing with the host DID part and including all the other DID parts below in your prayer.	The trust of each separate DID part usually has to be obtained or then at least that of the host before coöperation will be achieved.
NB: They do not necessarily believe that they are separate persons and personalities from the core human being.	NB: They usually believe that they are separate human beings from the core (ID book person) and wants to be treated as such. Some will even be as strong as to tell you that they are living their lives and that the person you are ministering to (the ID book) is merely a part that is with them!!
Relatively easy to get them integrated.	More difficult to get them integrated because of their independent existence from the core and stronger will.
They usually do not believe that they are helping the ID book personality but know that demons are using them to bring death and destruction to the core person.	They believe that they are helping the individual to “cope” with the trauma and that without them the ID book personality would not be able to survive.
Demonically programmed DID parts usually do not have a strong impact on a hurt inner child or adult to hold it back and to prevent it from healing. However, there may be exceptions due to caging.	An SRA type of DID part may have a strong hold on a hurt inner child or adult since it may form part of the SRA type of DID’s strategy to “protect” the core against the hurt, trauma and shock. By holding on to the hurt inner child the SRA DID may think that it is protecting the child whilst it is preventing the healing. Therefore, in some cases the Holy Spirit may guide you to first address the SRA type of DID before the hurt inner child or adult is dealt with.
Demonically programmed DID is out-and-out destructive and there is no or little danger for the core if they are integrated.	SRA type of DID is not always out-and-out destructive but may operate as spiritual “crutches” to assist the core human spirit and soul to cope with trauma that would otherwise have been too big for the core to handle.

It is therefore important to know that the SRA type of DID needs to be managed with more caution. **SRA type of DID should usually be dealt with last, that is when the person has already received extensive inner healing on spirit, soul and body level. If an inexperienced prayer warrior of Jesus Christ should challenge some of these SRA type of DID parts right at the beginning of the healing process (without dealing first with the inner healing of the ID book personality) it may have devastating consequences for the ID Book person you are ministering to. Even if the SRA type of DID parts should coöperate and be integrated to the core by the Spirit of our Lord Jesus Christ, it may be as if you have taken away the ID book personality’s crutches at a time when he or she is not yet able to walk on his or her own.**

The person may then “fall” spiritually, emotionally and even physically with dire consequences.

However, if the particular trauma has been dealt with by the ID book personality (forgiveness etc.), inner healing has come on spirit, soul and body level (pertaining to the hurt inner children or adults) and the demonically programmed DID has integrated, then this foundation should be strong enough to carry the integration of the SRA type of DID (also based on the assumption that the enemy’s blood line rights and covenants were first taken away and cancelled). NB: Always follow the guidance of the Holy Spirit in the process.

One may perhaps summarise by saying that one should only deal with SRA type of DID when the deep inner healing of the trauma has been done and the Holy Spirit shows you that this person (the ID book personality) is spiritually and emotionally strong and able enough to “cope” and remain standing without the SRA type of DID that operated as spiritual crutches.

A good question may very well be that if the SRA type of DID plays such a key role and may help the ID book personality to get through life and to “cope”, whether we should not simply leave them intact. The answer is that it does not honour our Lord Jesus Christ that we should lean upon anything or anyone else than Him since He is our strength and our refuge and He promises to keep us from harm and to protect us. It is also often a deception that these SRA DID parts indeed “help” the ID book personality since their idea of “helping” is not conducive to the ID book person finding his or her identity and authority in Jesus Christ but is more aimed at keeping the person in bondage and dependant on the specific part or alter.

Process to deal with SRA type of DID from human spirit level

On the assumption that the Holy Spirit has shown you that the time is right to deal with this level of DID and the proper foundation of deep inner healing has already been built, you may now also proceed to call out the host of any SRA type of DID that split off from the core on human spirit level due to the specific trauma incident. In our example of Ben having been molested by his grandfather when he was a mere 5 years old, there may be various SRA type of DID parts on human spirit level.

- The one that may often be called out first would be the “protector” DID part since, especially with young children that experienced trauma, there may be a DID part that formed to protect the child against any similar trauma in the future. We have, for example, already found in similar cases that there is a DID protector that is an angry bear or a dog or even a childhood cartoon character such as a mother duck (that protected her ducklings in the cartoon story). This protector has the job of protecting the child (and then later the adult) against similar abuse in the future. In severe cases of SRA type of abuse, the protector dog or wolf may even come out and bite you to protect the person to whom you are ministering. This is however only in extreme cases and usually where there was satanic type of abuse.
- We know of someone that as an adult had to watch over his girlfriend’s baby whilst she was at work. The baby started screaming and the screaming of the child was the trigger to make the angry dog SRA type of DID part come out and bite the baby in the face. This person was criminally charged with the assault of a child. What in fact happened there is that the extreme trauma of having had to witness (as a small child) how his father held a gun to his mother’s head whilst threatening to kill her and the

traumatic screaming that took place, triggered the protector dog to form and it was this animal SRA DID part that came out and bit the baby in the face.

- Therefore, first ask Jesus to bring out the protector SRA type of DID part on human spirit level that split off due to the trauma incident. Let us say then it is an angry dog DID part or alter on human spirit level. Here you should just follow the guidance of the Holy Spirit in how to deal with each of these DID parts. If we should try to tell you exactly what to do, it would be similar than trying to tell an eagle how it should glide on the wind when flying at high altitudes between the mountains. However, from our experience, we may share with you how it may potentially be dealt with and then you at least have a reference from which to work from.
- When Jesus has then brought this angry dog protector SRA type of DID part out, the first question to the DID part would be: *“Who are you?” “Are you the protector?”* Often, if it is an animal, you may just hear growling and/or the person’s fingers and nails may react like that of an animal. You should then ask Jesus to give the dog the ability to speak to you like a human being and with a human mouth whilst understanding your language. This will usually happen (by the power of the Holy Spirit) and in no time this protector dog should start talking.
- It would make sense to ask when this DID part or alter formed and what its role is. Typically, you should get answers such as: *“I came to him when his grandfather hurt him when he was just a little boy”* and *“My role is to protect him and to make sure that he does not get hurt again.”* We would then usually ask the protector whether it has seen what Jesus has already done for the ID book personality and how Jesus has healed the hurt inner children. Usually, the protector would then say: *“Yes, I saw Jesus and what He came to do and how He healed the little child and took him away.”* We would then ask Jesus to appear to this protector dog in the spirit on human spirit level and to show it that He (Jesus) is strong and able to protect the person from any harm in the future and that it is therefore no longer necessary for the protector dog to protect the person. The protector would then usually say: *“Yes, I see Jesus and He is strong. I am sure He will protect him in the future.”* We then would ask the protector dog whether it would cooperate with us by accepting Jesus in its heart and allowing Jesus to integrate it with the core. Often the DID part would then ask something such as: *“I trust Jesus and will coöperate but what will become of me? Where will I go?”* The best answer to then give this DID part is to be honest and to say: *“I do not know what will happen to you when Jesus integrates you but all I know is Jesus is good, fair, and just. You can trust Him.”* If the protector DID part then agrees that you may proceed, you will firstly ask that he should pray with you to give his heart to Jesus and, as soon as that is done, you then pray and ask Jesus to integrate this protector DID part back into the core human spirit, soul and body of the person.
- Thereafter the same process may be followed in respect of any other SRA type of DID parts on human spirit level that split off due to the specific trauma incident. We usually first ask Jesus to bring out the host DID part and then get the host DID part to collaborate with us by winning the host’s trust. If the host agrees to coöperate and to collaborate with you whilst allowing Jesus to come into his or her heart, then often the other SRA type of DID parts below the host may be dealt with simultaneously, if the host gives permission.
- Remember that DID parts first have to be reborn in Jesus Christ before they may be integrated with the core human spirit, soul and body and for this you really need to

win the confidence and trust of the host of the DID parts together with all the other DID parts below it.

- Once all DID parts have been dealt with and are integrated back into the core human spirit, soul and body, then you may proceed to deal with the strong men demons on human spirit level.

6.7.4 *Parts of the human spirit held captive in the spiritual realm*

Our Lord Jesus Christ taught us that the enemy may sometimes have found the right to take a DID part of your human spirit (that split off due to hurt, trauma and/or shock) and to keep it captive somewhere in the spiritual realm.

How is this possible? Well, our souls and bodies are part of our flesh and is limited to the constraints of the natural realm, but our spirit persons are spiritual beings and may therefore, due to demonic power (often coupled with witchcraft), be taken out of our bodies to travel the astral plains (this concept is known as astral travelling).

If the enemy obtained rights that are strong enough through either the blood lines or in the believer's current lifetime (e.g. through blood rituals done, blood covenants made with the enemy and/or blood sacrifices made) then it may have obtained the right to take a shattered piece of the human spirit and to take it captive somewhere in the spiritual realm, far away from the believer's core human spirit that is in his or her body.

This is still very new spiritual ground for us, and we do not yet have all the answers. All we know is that prayer warriors for Jesus Christ should remember that such a concept exists and perhaps in cases where all the relevant inner healing and deliverance was done and the believer still does not experience complete healing, then we should consult the Holy Spirit and ask whether a part (DID part or alter) of the person's human spirit was not perhaps taken captive during the extreme trauma and is still being held captive by the enemy in the spiritual realm.

A good analogy of this is when we would build a puzzle in the natural realm. Often it happens that you start to build a large puzzle of, let us say, one thousand pieces. It may then happen that you build and build just to find that right at the end there is a piece of the puzzle missing. This is very frustrating since although 999 pieces of the puzzle have found their place in the totality of the picture, the one little piece that is missing renders the whole puzzle to be incomplete. It is the same with inner healing that has been done up to a point that all DID parts have integrated on spirit, soul and body level but if only 1 or 2 DID parts on human spirit level remain unintegrated (since they are being held captive in the spiritual realm by the enemy) the believer will not experience complete healing. The believer may therefore feel that a lot of healing and restoration has come but somehow there is still a missing piece ...

The way to deal with this is simply to ask Jesus to send in His holy warring angels to seek, rescue and find this DID part (or alter) of the human spirit and to bring it back to the believer to whom you are praying. Often you would then be able to speak to this DID part who has been found and brought back and you may, for example, ask questions such as where in the spiritual realm the piece was kept and by whom. You then deal with this DID part in the normal way including rebirth and integration with the core.

You may expect to find this part of the inner healing process especially with survivors of satanic ritual abuse but also with other believers who were the victims of ritualistic occult procedures and trauma such as rape and sodomisation.

However, always remember that our Lord Jesus Christ is a righteous God and that He will therefore not bring that part back if the enemy still has any right to it such as unbroken blood line curses and/or blood covenants made with the enemy.

6.8 Deliverance from the strong men on human spirit level

As explained in full in our teaching called "*Deliverance on Human Spirit Level – The Strong Men*," our Lord Jesus Christ, through His Holy Spirit, has taught us that the strong men demons are on human spirit level (NB: not in your core human spirit where Jesus lives) and that only He Himself can take them away⁴. Our Lord Jesus Christ is however a righteous God and will not take away any strong man if that strong man still has right to stay. This process of dealing with the strong men therefore should wait until you are sure that all the known rights of a particular strong man have been removed.

The legal rights that a strong man have may include any of the following (and in this order of importance):

- Unbroken blood covenants (sealed with blood rituals and blood sacrifices) made by the ancestors;
- Unbroken blood line curses due to the sin and iniquities of the ancestors; and
- Unconfessed and unrepented sin as well as covenants or agreements (also inner vows) that the person him- or herself made with the enemy.

The strong men may also draw power from the following:

- Unhealed trauma, unforgiveness and brokenness (i.e. any hurt inner children and/or adults as well as any DID parts that split off due to the trauma (whether demonically programmed DID or SRA type of DID));
- Spiritual captives⁵ (i.e. demonic spirit and soul copies of the person him-or herself that are being held captive by the strong man in the spiritual realm); and
- Any DID parts of the human spirit that are being held captive by the enemy somewhere in the spiritual realm due to blood covenants made and blood sacrifices and rituals done by the believer's ancestors.

It is obvious that these legal rights and/or strongholds of any strong man should first be dealt with before Jesus will take the strong man away on human spirit level (upon our request). In our experience, the mere presence of a demonic soul copy or even a demonic spirit copy (that was pulled in by this strong man) is not a legal right or a stronghold for the strong man to be there and is therefore not a hindrance in the way of deliverance from it on human spirit level.

In the past we used to pay much attention to demonic soul copies and believed (erroneously) that they should all first be removed before a person may enjoy lasting freedom in Jesus Christ. However, we believe that our level of endurance was tested by the enemy (and our Lord Jesus Christ allowed it) before we were allowed to gain the further revelation of human spirit level ministry. Today we know that, as a rule, the demonic spirit copies on human spirit

⁴ Mat. 17:21; Mar. 9:29

⁵ Demonic Soul Copies Level 3

level may simply be tied to the strong men demons⁶ when it is time for Jesus to take them away and this saves us much time, effort and energy! Thank you, Jesus!

6.8.1 *The process of dealing with the strong men on human spirit level*

Assuming that all the legal rights of a strong man have been taken away and all relevant inner healing has been done, the Holy Spirit may now guide you to deal with it on human spirit level. Here follows the process as taught by the Holy Spirit:

- Ask Jesus to bring out the strong man that oversees the demonic stronghold with which you have already dealt. In our example used, it would be the strong men that work with sexual immorality and lust and then in particular molestation of children. We know that there may be various, but it is usually Lilith (also Baphomet), Asmodee, Lust, Sexual Immorality, Paedophilia etc. Each case will however be different and you gain the knowledge of which strong men are involved by asking specific questions when you deal with the hurt inner children, any demonic soul copies and the DID parts on spirit, soul and body level. Typically, one would ask: “*What strong man gives you power?*” Or “*Which strong men are behind this stronghold?*” In some believers these strong men may talk to you from human spirit level but in other believers not and then you should simply proceed in faith.
- Cancel the spiritual microchips of the strong men (containing all their demonic programming) in the name of Jesus Christ and command it to go up in flames. This proved in many sessions with believers to be a crucial step in the process since there are much demonic programming involved and when this programming of the strong men is cancelled in the name of Jesus Christ, we can usually see that the strong men have lost a lot of their power.
- Set the spiritual captives free⁷ - Bind the gate keepers (that guard the spiritual places in the spiritual realm where the strong men (e.g. Lilith, Baphomet and Asmodee) reign) in the name of Jesus Christ. Then ask Jesus to send in His holy warring angels to seek, rescue and find all the spiritual captives of the person (demonic soul copies and demonic spirit copies) that were taken by these strong men and to set them free. Minister to these captives (before Jesus sets them free) as the Holy Spirit may guide you. For example, in this case it may be necessary to ask Jesus to first wash the captives clean with His blood from all sexual immorality and unworthiness since the demons have continuously sexually assaulted them in the spiritual places where they were held. These captives, in our example, may all be five-year-old boys and it may be necessary to ask Jesus to clothe them in white clothes and to restore their innocence and dignity before Jesus takes them away (i.e. sets them free). Here you may also see a manifestation and you will know that all the captives have been set free when the manifestation ceased and relative peace has been restored to the person to whom you are ministering. If the strong men (in the person you are ministering to) talks to you, you may now ask Jesus to bring them out again and then you may ask whether they still have any rights in the person you are ministering to. If the answer comes as a “no” then you will know that you can proceed. If the strong men do not talk, then you will just have to depend on the Holy Spirit to guide you and to show you whether the strong men have any more rights.

⁶ Mat. 12:29; Mar. 3:27; Luk. 11:21

⁷ Demonic Soul Copies Level 3

- Ask Jesus to loosen the strong man from the believer's human spirit - This is necessary since each strong man has its own way of attaching itself around the human spirit. **NB: It is important to understand that these strong men are not IN the core human spirit (where Jesus by way of the Holy Spirit came to reside when you were reborn) but are merely ON human spirit level and have attached themselves around the human spirit.**
- Ask Jesus to bind all demonic spirit copies that collaborate with this strong man to it
- Ask Jesus to appear to the hosts of all DID parts that were demonically programmed by this strong man and to cancel (by the power of His blood) all mind-control and DID programming of this strong man on human spirit, soul and body level as well as all witchcraft, curses, triggers and caging associated with it.
- Then ask Jesus to integrate all demonically programmed DID associated with this strong man back to the core human spirit and on soul and body level
- Ask Jesus to (by the power of the Holy Spirit) remove the strong men from the person's human spirit.
- Ask Jesus to lock the spiritual portals of these strong men on human spirit level with the Keys of the Kingdom
- Ask Jesus to heal all spiritual wounds on human spirit level (that were caused by this strong man) with His blood and to restore His peace to the person's human spirit!

6.9 Spoil the houses of the strong men on soul and body level

Jesus said that if we have bound the strong man, we will be able to plunder its house⁸. In this case, our Lord Jesus Christ has taken the strong man away and now its house is open and not guarded and you will find that the deliverance on soul and body level goes much easier and the entire process of deliverance is much softer and more delicate on the person you are ministering to.

6.9.1 *Process of spoiling the houses of the strong men on soul and body level*

On soul and body level we again take full authority since Jesus has given us the mandate to deal with all demons on soul and body level.

- So now you merely address the power demons on soul and body level and bind them as well as their foot soldiers together with a spiritual cord;
- Command all demonic soul copies on soul and body level working with the power demons (in this case Lilith, Asmodee, Baphomet, Sexual Immorality, Lust etc) to consolidate to one each (e.g. also the DSC's of the perpetrator, the grandfather) and bind them to the power demons and foot soldiers;
- Cast the power demons and foot soldiers out in the name of Jesus Christ and simultaneously ask Jesus to rip all demonic soul copies out;
- When all manifestation has stopped and peace has returned to the believer you are ministering to, then lock all spiritual portals on soul and body level (where these demons went out) with the Keys of the Kingdom; and
- Lastly pray for all trauma and shock that occurred due to the deliverance process to be washed away by the blood of Jesus.

⁸ Mat. 12:29; Mar. 3:27; Luk. 11:21

The beauty of the process of ministering from human spirit level (where Jesus Himself does all the “challenging work”) is that it is less traumatic for the person that you minister to. The process is overall more peaceful and less demonic manifestation occur.

The greatest benefit however is that the deliverance should be much more lasting since the strong men are gone and they cannot simply refurbish their houses. In the past, when we merely ministered on human soul and body level, the strong men were still there and they could potentially have refurbished their houses at the earliest and slightest opportunity that they could get. With the strong men out of the way, we may truly plunder their houses until it is empty, then clean it out and lock the doors. Formidable, thank you Jesus!!

6.9.2 Cautionary – Be very sober and vigilant and live a holy life

At this point, we should seriously caution believers who seek deliverance on this level and advise them to first calculate the cost before entering this level of deliverance. The reason is that believers who have been set free on this level will have to live a very holy life and be very sober and vigilant not to open any doors again for any of these strongmen to come back through wilful sin (e.g. sexual intercourse outside of marriage, taking drugs again etc.). In this context the following Word is very relevant and should be carefully considered:

Luke 11:24-26: *When an unclean spirit goes out of a man, he goes through dry places, seeking rest; and finding none, he says, “I will return to my house from which I came.” And when he comes, he finds it swept and put in order. Then he goes and takes with him seven other spirits more wicked than himself, and they enter and dwell there; and the last state of that man is worse than the first.”* (Also compare Matthew 12:45)

7. INFILLING BY THE HOLY SPIRIT

The last step in the process of inner healing and deliverance by the power of the Holy Spirit is always to pray for infilling by the Holy Spirit. This is asking Jesus to baptise the believer afresh in spirit, soul and body with His Holy Spirit.

8. POTENTIAL CAUSES OF A SPIRITUAL BLOCK TO THE PROCESS

As mentioned above, the demonic (whether demons, DSC’s or DID parts) may not speak or even manifest visibly in every believer. In some believers there is little to no manifestation and the agents of the demonic are silent and then you will just have to trust the Holy Spirit for guidance and proceed to pray in faith. However, the Holy Spirit will sometimes show you that there is a spiritual block that hinders the process. In our experience this spiritual block may be caused by any of the following:

- Not being truly reborn in Jesus Christ but merely having an intellectual understanding of God;
- Pollution of the baptism of believers (e.g. being baptised in a church where the pastors are Freemasons or having undergone the Mikvah baptism (the Old Covenant baptism of John (of repentance of sin) often find in the Hebrew Roots movement);
- Unforgiveness of others, yourself or God (blaming God or being angry with Him);
- Wilful sin such as sexual relationships outside of marriage or an adulterous relationship;

- Kundalini infestation due to the Scio machine, various methods of alternative healing such as Reiki, Acupuncture, Homeopathy etc., attending a church where the Kundalini spirit is operating (or membership of such a church) and Quantum Healing;
- Participation in the Hebrew Roots movement e.g. keeping the Sabbath on a Saturday, respecting and keeping the Jewish Feasts, praying under a tallit (a Jewish prayer shawl) etc.;
- Pride, self-righteousness, arrogance and intellectualism (stronghold of Leviathan);
- Not believing any of the foundational truths that are necessary to be set free such as that reborn believers in Jesus Christ can have demons in them or that unrepented ancestral sin results in blood line curses;
- Etc.

In this regard one needs the gift of discernment to establish (by the power of the Holy Spirit) what the cause of the spiritual block is.

9. CLOSING

We hope and trust that this teaching will equip all believers in Jesus Christ to pray effective for inner healing and deliverance by the power of the Holy Spirit in them. Jesus is our Healer and our Deliverer and the Holy Spirit is our Counsellor. To further assist reborn believers in Jesus Christ, we have drafted a “spiritual roadmap” that may be used merely as a guideline and always subject to the guidance of the Holy Spirit. May our Lord Jesus Christ by the power of the Holy Spirit and His blood shed for us on the cross be with each one of you and lead you into complete healing and restoration on spirit, soul and body level and may He finish the good work in you that He has started until He comes.

AMEN

ALL HONOUR AND GLORY

TO OUR LORD JESUS CHRIST AND HIS HOLY SPIRIT

WHO IS PREPARING HIS BRIDE FOR HIS RETURN

Thank you, Jesus!!
