

PRAYER OF RENUNCIATION: LATTER RAIN MISSION ("BLUE DRESSES")

(NB: We encourage believers in Jesus Christ to first watch the complete teaching of IIC on YouTube (unlisted – www.ignitedinchrist.org) to gain full revelation and insight, before praying this prayer.)

This prayer of renunciation is for the end-time Bride of Jesus Christ who watched our teaching entitled ***"Finally the truth - Latter Rain Mission - Why the people are so bound"*** (YouTube, unlisted -www.ignitedinchrist.org) and was convinced by the Holy Spirit that the content of the teaching is the truth. We assume therefore that all ties with the Latter Rain Mission (the "Blue Dresses", hereinafter referred to as the "LRM"), as a religious institution, have already been broken and that the reader hereof seriously seeks inner healing and deliverance by the power of the blood of Jesus Christ.

This prayer is not intended for the general public and should therefore be used with caution and discretion. It should not be published on any public forum. However, it may be forwarded to people who want to be set free from the spiritual bondage of the LRM as well as to believers/ministries who serve others with prayer and therefore want to become better equipped.

This prayer aims to set believers in Jesus Christ free (through the power of the Holy Spirit and the blood of Jesus Christ shed on the cross) spiritually, psychologically, physically, financially and otherwise so that they may become more effective Warriors (active disciples) for Jesus Christ in these end times.

Ignited in Christ (IIC)'s aim is not to attack or discredit LRM as a religious institution (since we can all be deceived and may err from time to time and it is true that with the same measure that we measure, we will also be measured (Mat. 7:2)). Paul then also said in Ephesians 6 verse 12 that our battle is not against flesh and blood but against the principalities, powers and authorities of this sinful world and therefore against the evil spirits in the air (spiritual realm). IIC's mandate in the Body of Jesus Christ is to set the prisoners free in accordance with Jesus' great command to His disciples (Isaiah 61:1; Luke 4:18 & 19) without fear of people and even of religious and other institutions. Our mandate and assignment are from Jesus Christ and therefore our responsibility is also towards Jesus Christ.

We must also remember (in this context) that our Lord and Saviour Jesus Christ in the first place cares about the healing, deliverance and care of the individual sheep of His flock (Luke 4: 18 & 19) and not about the protection of religious institutions and "churches" or earthly religious empires. The only "church" design that is Biblically founded is the informal house-

church model where believers simply organize themselves in informal groups and gather in each other's homes to worship and praise together (as the first church of Acts in the time of the apostles).

It is therefore very important that the believer who wishes to pray this prayer should first terminate membership of LRM as a religious institution. Any unholy spirit, soul and other ties with the organization, its leaders, people as well as infrastructure must also be cut (Note: Spirit and soul ties with fellow believers that are holy must always remain in place as it can rarely be in accordance with Jesus' command of neighbourly love to, as Grandma Fraser often "prophesied", make a "clean cut" with fellow believers).

Then we also recommend that you should first calmly read through the entire prayer and make it your own (study it) before you start to pray the prayer. We suggest that former members of the LRM also take this prayer and use it as a discussion document in small groups in order to test its content against the Word (specifically the New Testament and the Words of Jesus and the Apostles) as well as to then assist each other to understand everything well.

You may also feel free to stand in the gap spiritually for your spouse, children and descendants when you finally pray the prayer with full conviction.

Since the spiritual bondage in LRM largely corresponds to those of the Roman Catholic Church and has its origin in the whole false trinity namely sun god, queen of heaven and antichrist ("false Jesus" (also the Kundalini)) it is highly recommended that former members of the LRM also work through the following teachings of IIC (freely available on YouTube as well as IIC's website www.ignitedinchrist.org) in order to cancel the bloodline - and other rights of the enemy over themselves and their descendants:

- *Kundalini (counterfeit holy spirit)*
- *Wash your spiritual DNA in the blood of the Lamb, Christ Jesus*
- *The curse of Freemasonry (as well as the "Spiritual Heritage of the Afrikaner")*
- *Athaliah (sun god worship and the stronghold of Jezebel and Ahab)*
- *Queen of Heaven – Lilith, Jezebel and Hecate*

The complete Warrior School series of IIC (available for free at info@ignitedinchrist.org) can also further help believers to grow in their identity and authority in Jesus Christ and should assist them in coming to grips with certain spiritual concepts. Eventually all this truth and revelation will play an important role in setting you free and to ultimately enable you to stand up in your creative purpose (calling) from God.

PRAYER

I first confess that I believe in the only true God namely God triune who revealed Himself to us by sending His Son Jesus Christ to earth to die for every sinner so that everyone who believes in Him will not perish but may have eternal life (John 3:16). I therefore believe in the Father, Jesus Christ the Son and the Holy Spirit who are the Spirit of Truth that (besides the written Word of God (the Bible)) guides us into all truth (John 16:12-14). I confess that I do

not want to serve and follow any other god (including people and religious institutions) and that above all I want to obey, serve and honor You Lord Jesus Christ.

Jesus Christ, my personal Saviour, King and Bridegroom, I come before Your throne in the spiritual realm today in the deep realization Lord Jesus that I was deceived and went astray (along with many other fellow believers in the LRM) regarding who You are as well as regarding the identity of Your Holy Spirit and Your Gospel of salvation under the New Covenant. This happened due to the fact that I committed myself to LRM as well as because I followed the teachings (and especially also the prophecies) of Maria Martha Fraser ("Grandma Fraser"). I admit that the main reason for my deception and error was that I was told to follow the prophesies of LRM and especially that of Grandma Fraser without testing it against Your truth of the New Covenant, as set forth in the New Testament.

Lord Jesus Christ, I watched the above teaching of IIC on YouTube (unlisted) and specifically about why the people of LRM are so spiritually bound and I thank You for revealing the truth to me since ONLY THE TRUTH CAN SET US FREE (John 8 :32).

1. ACKNOWLEDGMENT, CONFESSION AND RENUNCIATION OF THE DECEPTION, ERROR AND LIES IN LRM

Lord Jesus Christ, I come before Your throne and admit and confess that in many respects as a member or follower of the LRM I have been deceived and have gone astray. The content of my deceit and error is about who You are, who the Holy Spirit is as well as which gospel (of the New Covenant) was made available to us by Your death on the cross and especially your resurrection and by the great price of Your blood that redeemed us from sin and death. I specifically acknowledge, confess and renounce the following deceptions, fallacies and lies:

- Although most of the people in LRM probably very sincerely intended to build LRM on the true spiritual cornerstone of Jesus Christ (1 Pet. 2:6), the LRM (originally and in the time of Grandma Fraser but also later in the time of Uncle Pieter van Vuuren) built on the spiritual cornerstone laid by Grandma Fraser and specifically through her prophecies and teachings (which were considered to be "law" and were practically "slavishly" followed). The spiritual building of LRM therefore do not exclusively rest on the spiritual cornerstone of Jesus Christ but to a large extent also on Grandma Fraser and her spiritual legacy. Although, according to their own testimony, LRM has already introduced a lot of reform and many of "the old things" have already been confessed, acknowledged and repented for, the spiritual legacy of Grandma Fraser is still too deeply embedded in the foundations of LRM. It lies in the founder MM Fraser and her prophecies as well as the LRM history, traditions, constitution, towns, buildings, street names etc. I also understand that it is not possible to completely take out and remove a cornerstone of a spiritual building without affecting the entire building. This spiritual cornerstone of Grandma Fraser in LRM does not honour You Lord Jesus Christ since You say in Your Word

(1 Peter 2:6) that Your church should be built solely and exclusively on the spiritual cornerstone of the resurrected Jesus Christ and on what He has done for us on the cross.

- It was believed in LRM that Grandma Fraser is the absolute mouthpiece of the Holy Spirit and that her and the other "prophets" of LRM's prophecies may not be questioned and therefore established absolute authority over the believers (even above the authority of the Bible). Grandma Fraser was then also followed as the Israelites followed Moses and thus she became a type of spiritual mediator between the "people" and the "god" they worshipped. This is contrary to Your Word according to the New Covenant since when You died on the cross the curtain in the Temple was torn which was symbolic of the fact that all believers now have free access to the Father through Jesus Christ (their Mediator) and that an earthly intermediary is no longer needed.
- I recognize and confess that this exaltation and worship of Grandma Fraser (and the inviolability of her and the other prophets of LRM's prophecies and spiritual legacy) amounted to idolatry. We should only honor and follow You Lord Jesus Christ (in accordance with Your written Word) above all else.
- After viewing the teachings of IIC about LRM, I came to the realization that under the spiritual cornerstone of Grandma Fraser (due to her teachings and especially her prophecies) there is indeed "another Jesus, another spirit and another gospel", as against whom Paul warned the believers of his time (2 Cor. 11:4). The "other Jesus" that was proclaimed by the prophecies is none other than our spiritual opponent namely "Satan" or "Lucifer". The "other spirit" was the counterfeit holy spirit namely Kundalini and the "other gospel" was that of the Old Covenant which consists of earning my salvation through good works, legalism, religion, rituals and the continuous application of the spiritual blood of the sacrificial animals (which cannot save and only brings death).
- From LRM's own official documentation¹, it was taught that the blood that was constantly applied in LRM (according to Grandma Fraser's legacy and especially through her prophecies) was the blood of the sacrificial animals of the Old Covenant and not the blood of Jesus Christ, shed for me on the cross. I admit that this false blood of the sacrificial animals (which had to be pleaded and applied so constantly) could not save and repeatedly contributed to bringing me and my family back under the Law and the curse that sin brings. This is contrary to Jesus Christ's blood which was shed once for us on the cross and with which we have already been redeemed once and for all from the power of sin and death. The practice of "pleading something under the blood" is not so much wrong as it is about which blood is used. There is then also the false spiritual blood which is a counterfeit of the blood that You shed for us on the cross Jesus. It is clear that (according to Grandma Fraser's legacy in LRM) it is

¹ ¹ The Sunday School Manuals of LRM - Graad 8, Jatniel Les 7, Gebruik vd Bloed-002.pdf

the powerless blood of the sacrificial animals of the Old Covenant that was pleaded almost constantly over everything and in every context, including when confessing sins. By pleading this blood again and again, I was bound even more firmly in the spirit to the Old Covenant's gospel (which could not save) and thereby prevented the living blood of Jesus Christ (shed for me on the cross) from washing me clean and protecting me. In this way I have unconsciously brought my family, my house, vehicle, finances etc. back under the curse of the Old Covenant.

- Prophecy and prophets were exalted in LRM (in the time of Grandma Fraser and also afterwards) to absolute authority (even above the Bible) and prophets and prophecy were repeatedly feared more than even God himself (Jesus Christ as part of the triune God). Prophecy was therefore effectively used to control, manipulate, intimidate and control as well as dominate the Bride of Jesus Christ (the spiritual fortress of Jezebel) and it made the members of LRM spiritual slaves through fear of people (the spiritual fortress of Ahab). This absolutization of prophecy is a serious lie and error since we can all exercise the gift of prophecy from time to time through the indwelling Holy Spirit and since You say in Your Word that prophecy and the spirit behind it should always be tested (1 John 4:1) and that we should always be vigilant and sober (1 Pet. 5:8).
- I also now realize that many of the so-called "prophecies" (given by "instruments" or "prophets" especially in the time of Grandma Fraser) were polluted by the counterfeit holy spirit or Kundalini. The "prophet" (after "wrestling" and entering a so-called "trance state") ultimately "surrendered" to the Kundalini and was consciously or unconsciously used as a spiritual "medium". (Of course, this does not take away from the fact that the true Holy Spirit of Jesus Christ could also (to a greater or lesser extent) have been present and worked even through the so-called "prophets" and "prophecy" since You, Jesus Christ, knew the honest and sincere hearts of Your people.)
- It is clear (especially from the prophecies of Grandma Fraser) that there was a Jezebel spirit in LRM that kept the followers of Grandma Fraser submissive in a typical Ahab style. The Jezebel-Ahab stronghold in LRM was also clearly visible from the fact that great emphasis was always placed on Grandma Fraser's absolute authority and leadership as a spiritual mother and wife. She also "ruled" with an iron fist and her word was literally "law" and instilled fear in all her followers;
- The blue dress worn by female members of LRM during the week is not a sign of the anointing and protection of the Holy Spirit but of the counterfeit holy spirit (revealed by the figure of the Queen of Heaven (Ishtar/Astarte/Ashtaroth) also known as "Mother Mary" of the Roman Catholic church, also known as Kali, Shiva, Isis, Semiramis and Juno in other cultures and times). It is also the color of the esoteric and Kundalini-awakening and thus again of the counterfeit holy spirit. Therefore, by wearing the blue

dress, woman in LRM unconsciously gave honor to the counterfeit holy spirit and unconsciously opened a spiritual door to spiritual arrogance, pride, deception and falsehood. The white dress on Sundays, which was supposed to symbolize purity and holiness, does not honour You either, Lord Jesus Christ, since You say in Your Word (Gal. 3: 27) that we who have been baptized in Your crucifixion and resurrection "*are clothed with Jesus Christ*" in the spirit. If we are already clothed in the spirit with Jesus Christ and the enemy trembles when he looks at us, how can it still be necessary to wear a specific garment (also e.g., the prescribed brown suits for the men)? It is also a lie that the specific garment protected us and kept us healthy etc. as well as that it is our Bridal Garment. It is Your blood Jesus Christ, shed for us on the cross, that (in the spirit) protects us and keeps us healthy. It is also not necessary to have an external symbol of unanimity because the unanimity lies in the spirit and in our hearts. All those who believe in Jesus Christ and that He died on the cross for their sins and rose again are of one mind and together form the Body of Jesus Christ on earth. The specific garment, on the contrary, also contributed to much sadness and rejection as many believers in Grandma Fraser's time were instilled with fear since they were, for example, told (according to recorded prophecies) that their ailments would return if the garment was no longer worn or that certain persons were not yet good enough or worthy enough to wear it.

- The recorded prophecies of Grandma Fraser that said that the Holy Spirit is female and therefore can be compared to a mother, a dove that broods on eggs etc. is false. The Holy Spirit is the Spirit of the Father and of Jesus Christ and He is spoken of as male (John 14:26) and as such it cannot be considered exclusively female. The Holy Spirit then also forms an inseparable part of the holy trinity namely Father, Son and Holy Spirit. On the contrary, it is a well-established pagan view that is propagated today (especially by those in the "New Age") to refer to the Holy Spirit as female.
- The prophecies of Grandma Fraser that hinted that only LRM had the full truth and were chosen by Jesus Christ above all other believers are a lie and false. This false teaching (especially in the time of Grandma Fraser) gave rise to spiritual pride and a judgmental attitude towards other believers and followers of Jesus Christ.
- The Faith Houses were never Your will for Your Bride Jesus Christ and there is also no justification for it in Your Word according to the New Covenant of Jesus Christ. The home-church concept is however something entirely different and consists simply of believers who freely gathered in each other's homes to worship and praise You. I recognize and confess that the Faith Houses can rather be compared to the monasteries of the Roman Catholic Church and that it aimed to isolate Your disciples, remove them from the world and subject them to legalism and suffocating religion. In this way, the enemy attempted to

replace believers' beautiful and intimate relationship with Jesus Christ (that gives life) with religion and legalism (that brings spiritual death).

- It is also not Your will, Lord Jesus Christ, that children should be placed in religious or faith homes and thus be separated from their parents and families at a relatively young age. You are a God of relationship and family, and family ties are very important to You. It is therefore rather in Your will that children of believing parents should be spiritually guided and protected by their own parents and that Your love (through their parents) should support and enrich their lives. By placing the children in the Faith Homes, they were taken out from under the divinely appointed authority and protection of their parents. They were placed under the authority of persons who (knowingly or unknowingly) became instruments in the hands of the enemy to bind the children spiritually and to ultimately keep them from their creative purpose in You, Lord Jesus Christ. It is well-known that many people who were as children in the Faith Homes (not all of them) are today either atheists or firmly entrenched in following the false Jesus through dead religious works.
- The constant moving of people between the different Faith Houses in LRM was not necessarily always in Your will Lord Jesus Christ and was more a way of once again controlling and manipulating people. By constantly uprooting them and sending them to sometimes remote places, they were prevented from finding stability somewhere and from being able to become effective disciples for You in their community.
- It is a false teaching of Grandma Fraser² that sins should only be confessed (in front of a "reliable witness") and then pleaded under the false blood of the Old Testament sacrificial animals without also specifically asking Jesus Christ for forgiveness and cleansing with His precious blood poured out on the cross. In this way, the sins (which were already forgiven on the basis of 1 John 1 verse 9 upon the honest confession at the feet of Jesus) were again piled up against the believer in the spiritual realm (also due to the effect of the false blood of the sacrificial animals that was pleaded) and the enemy therefore again gained the right to bring the curse of sin and the Law against the believer and thereby to once again bind him/her.
- The Temple at Jatniel (as well as the Faith Houses and various prayer rooms) is not Your home here on earth, Jesus Christ, because You clearly say in Your Word that You (in terms of the New Covenant) do not live in buildings built by people but in the hearts of Your people who have been born again (1 Cor. 6:19). The Temple at Jatniel (as well as the Faith Houses and prayer rooms) was therefore not so-called "holy ground" since the holy ground where Jesus lives by His Spirit is now in our regenerated hearts. The custom of taking off shoes before the so-called "holy ground" is entered is therefore not in honour of You either and is what the pagans do in honor of their false gods.

²Grandma Fraser's booklet "Distinguishing Spirits" p. 2

- I acknowledge and confess that according to evidence (much of which is already in the public domain) there was a lot of sexual sin in LRM and then specifically extramarital relationships and adultery as well as especially molestation and even rape and sodomization of little children. I also recognize and confess that these sins and others were often covered up by secrecy, abuse of authority and especially through “prophecy” as well as by way of abuse of medication etc. The perpetrators were then also mostly protected to the detriment of the victims.
- The practice of praying for reconciliation of a soul in the belief that the person will then be saved (simply based on the prayer) is an error. We should of course pray for people's salvation, but we can never say that, simply based on our prayers, a person's soul (and spirit) will be saved. Jesus Christ respects free will (Deut. 30:19) and every person that is old enough should choose to accept Jesus Christ as his/her personal Savior before the person can be saved (also refer to Jesus's conversation with Nicodemus in John 3). This practice of praying for reconciliation for the soul of another is therefore not Scripturally and according to the New Covenant gospel of Jesus Christ correct and once again has many similarities with that of the Roman Catholic Church.
- The belief (especially in the time of Grandma Fraser) that believers in Jesus Christ in the end times should not have children because they are making "*stubs for the fire*" is a horrible but also tragic error. Our Lord Jesus Christ is a God of generations and children are and will always remain a blessing from God. It is therefore man's creation order from Jesus that we should be fruitful and multiply (Gen. 1:28). This command has never been withdrawn by God. We as children of the true living God should not be afraid that our children will not have a future in the end times because although Christians can expect persecution, Jesus Christ is still faithful and has promised to be with us until the end (Matt. 28:20). Godly generations are precisely necessary (and especially in the end times) so that the believers in Jesus Christ can be His end time disciples and may bring the gospel to the ends of the earth and until Jesus comes again. I acknowledge and confess that by sterilizing myself or preventing myself from having children in any way is interfering with Your sacred design of the fertility of my body and disobeying Your creation order to be fruitful and multiply, Jesus Christ.
- The use and belief in LRM (especially in the time of Grandma Fraser) that consent had to be obtained from Grandma Fraser (or then the management of LRM) before a believer could have a relationship and/or enter marriage is not in accordance with Jesus Christ's spiritual principle of free will. This again came down to ungodly control, manipulation and associated intimidation (if consent or approval was not obtained). The love between a believing man and a believing woman is sacred and private and they should only consult Jesus Christ Himself about their relationship and not through the mediation of a third person. (However, it is also not wrong to voluntarily pray with other fellow

believers about a prospective relationship and to consult the Lord Jesus Christ about it together.)

- The payment of tithes also belongs to the Old Covenant and believers are no longer under that legal obligation. Believers are now under the guidance of the indwelling Holy Spirit and should donate and sow into God's Kingdom here on earth as and when the Holy Spirit guides them. They are therefore generally free to give more (or less) than a tenth of their income and to whoever they want (not necessarily just to a church). It is therefore a lie that paying tithes is like "*gathering food for the road*"³ by which it is implied that the believer will be financially blessed by it in the future. The opposite is rather true, namely that paying Old Testament tithes will instead bring a spiritual binding on that believer's finances and will block the true Jesus Christ's financial blessing.
- It is a lie that Your children, Lord Jesus Christ, should be poor and should suffer to be able to live fully devoted to You here on earth. You are a good Father who wants to provide for all Your children's needs and therefore poverty and financial shortage is simply not Your will for Your children. Having said that, devoted children of God should not strive for earthly riches but rather for spiritual riches and to gather for themselves treasures in heaven where moth and rust do not destroy (Mat. 6:19).
- The theology that was preached and especially prophesied in LRM that the rapture of the Bride of Jesus Christ will take place before the great tribulation and that believers who are not ready will have to stay behind and go through the tribulation is an error and based on an incorrect interpretation of the Scriptures (Bible). Jesus Himself clearly says in His Word (Matthew 24:29-31 read together with chapter 24 as a whole) that He will come shortly after the great tribulation and only then when the great heavenly trumpet sounds will He instruct His angels to gather His elect from the four wind directions and from every corner of the earth. In Revelation 7 from verse 9 up to and including verse 17 it is also revealed by Jesus to John that the believers in the end times will be martyrs who will "*come out of the great tribulation*" and who "*have washed their clothes and made their clothes white in the blood of the Lamb.*" It is a further fallacy that only those believers whose sin has been fully confessed will be taken with Him at His second coming. Every born-again believer who was baptized in Jesus' death on the cross and resurrection (Rom. 6:3-5) and has thus identified him- or herself with the resurrected Jesus was born again in spirit, soul and body and was therefore spiritually fully freed from the curse of sin and death, by His grace. Spiritually, all baptized and born-again believers then (in God the Father's eyes) became spiritually without any sin since our sinful nature (for good) was washed away in the spirit through regeneration (spirit man) and in the baptismal bath (soul and body) ("their (spiritual) garments are made white in the blood of the Lamb"). We are therefore now

³According to the prophecies of Grandma Fraser.

fully clothed with Jesus Christ (Gal. 3:27) and completely acceptable to God the Father. These lies about the pre-tribulation rapture were then often used to instil fear and to manipulate and control the believers in LRM and thus to drive them to senseless works and rituals of death and destruction.

- It is a heresy that was often prophesied (especially in the time of Grandma Fraser) that, if the Lord were to come now, the believers "*will not make it to heaven*" because they are supposedly not good enough. Along with this, I reject the practices that have been frequently applied in LRM, namely that believers must crawl to humiliate themselves and e.g., that a poster should be hung around someone's neck to humiliate the person. Jesus clearly says in more than one place in His Word that we are saved based on our faith alone (John 6:40). Furthermore, it is also clear from the Scriptures (John 3:5) that to be able to come through immediately to the throne room of Jesus Christ (and escape the 2nd death⁴) we must not only be born again according to spirit but also according to soul and body (through the baptism of believers through full immersion). This is all that is needed to be saved and to be able to pass through immediately to the Wedding Supper of the Lamb and no good works (or lack thereof) will be able to prevent us from getting into Heaven (provided we still believe in Jesus Christ and did not deny Him or our baptism as a believer (as would e.g. happen if a believer became a Freemason)).
- The custom in LRM (that was also often prophesied in Grandma Fraser's time) that the faithful could ask the Lord for 3 things which He would then give them is in no way a Biblically founded custom or principle. Rather, it reminds one (to the contrary) of certain childhood fairy tales where the good fairy (the demonic stronghold of Hecate and witchcraft) would tell the innocent and naive child that he/she can make three wishes and that they will come true. Your blessings Lord Jesus Christ for Your Bride and the goodness of the Father for His children are unlimited and You promise in Your Word that we will receive everything we ask in the name of Jesus Christ if we believe, without limit (John 14:13).
- The custom (often prophesied in the time of Grandma Fraser) to close the eyes when prophesying, worshipping and "wrestling" (otherwise there was no "respect" for the "Holy Spirit" and it would bring about a "resistance") was also not inspired by You Lord Jesus Christ. On the contrary, it was just another way of control and intimidation and an attempt by the enemy to prevent Your children from staying sober and vigilant and from being able to see that the manifestations did not come from Your Holy Spirit but rather from the Kundalini or false holy spirit (called in LRM the "*angel of light*").
- The custom in LRM (and then especially also at various Faith Homes and in the time of Grandma Fraser) of prophesying that the believers had to put sackcloth over their heads and would then be sent out "in silence" (where after they would then spend several hours and even days in silence until the "Lord" lifted it) is also not a practice that was inspired or ordered by You Lord Jesus Christ. There is no New Testament example where Your children (in general) had to

⁴The waiting period in the realm of the dead up to and including Jesus Christ's second coming and at which time the great judgment will take place when all appears before His Judgment Seat.

be quiet for long periods of time (with or without a sackcloth over their heads). You, Jesus, indeed sometimes became silent and sought Your Father's face in seclusion, but it was always voluntary and never under coercion or in fear.

- Fasting belongs (as a rule) to the Old Covenant and for that reason those that rejected You as the Messiah Lord Jesus (such as the Jewish rabbis as well as many others in pagan belief systems) are still fasting regularly even until today. You have freed us from all these Old Covenant religious rules and customs, Jesus Christ. We who have the Bridegroom with us (by His Spirit dwelling in us) do not (as a rule) need to fast frequently, unless it would be an express command from the true Jesus Christ (Luke 5: 34 & 35). You say in Your Word Jesus Christ that Your yoke is light and that You do not place heavy burdens on Your children (Mat. 11:30). So, to expect of old people and even children to fast (by not eating or drinking on a regular basis and for extended periods of time) is simply not (in general) Your will for us.
- The custom in LRM to fast, pray, sleep and/or wrestle in sackcloth and ashes as well as to place ashes on the tongue, in the shoes and on the head, the scattering of ashes, drinking of ash water, the ordering of a believer to sit in an "ash chamber" and wearing a belt made of sackcloth was also not inspired by Your Holy Spirit at all but rather by the counterfeit namely by the Kundalini. It does not honor You because You say in Your Word that You are a God of the living and not of the dead (Mat. 22:32; Mark 12:27; Luke 20:38). Death and therefore also "ashes" (as a sign of death and destruction) have their origins in Satan (Lucifer) and by constantly associating yourself with "ashes" (as do the Roman Catholic Church and certain pagan religions) means death and to proclaim and bring spiritual death upon oneself. The sackcloth is (according to LRM) a sign of humiliation before God, but it also has its origin and validity in the Old Covenant when man was not yet made righteous by the blood of Jesus Christ. You say in Your Word that we who believe are the righteousness of God in Jesus Christ (2 Cor. 5:21) and that the Father therefore sees His Son in us. We are also, according to Galatians 3 verse 27, now spiritually clothed with Jesus Christ (the High Priest of the New Covenant) and therefore it is contrary to the gospel of the New Covenant to want to put on a sackcloth to thereby come into the right standing with God. The spiritual meaning of a belt made of sackcloth is that I bind myself spiritually and place myself again under the curse of the Old Covenant (of sin and the Law) and therefore it did not honour You either.
- The custom in LRM to "wrestle" (introduced by Grandma Fraser) is nothing other than a way to enter a "trance" or intermediate state through which contact can then be made with the spiritual dimension. In this way, the Kundalini spirit also got the opportunity to use the so-called "instruments" or "prophets" to work and this could have given rise to prophecies that were contaminated and not solely from your Holy Spirit.

- The custom in LRM of "shaking loose" (mostly from "cleaving evil forces") and even in the person's absence (by then shaking your Bible or allowing yourself to be shaken in that person's place) (as introduced by Grandma Fraser) is not Scripturally and according to the New Covenant correct. According to the pagan beliefs, shaking contributes greatly to the activation of the "chakras" (or energy centres that form part of the Tree of Knowledge of Good and Evil in the human body and that, in turn, has its origin in the seed of Satan⁵) in the human body by opening it up or "shaking it out". This physical shaking then makes it easier for the Kundalini (counterfeit holy spirit) to move up in the person for Kundalini awakening (towards "enlightenment") to take place.
- The custom in LRM of "praying someone through" is also not Scripturally correct and in accordance with the New Covenant. The reason is since we as born-again believers already have the Holy Spirit residing in us and we therefore have free access to the Father (through Jesus Christ's death on the cross and resurrection). The custom of "praying through" was then rather an opportunity for the enemy (by making use of the so-called "prophets") to further activate the counterfeit holy spirit (Kundalini) and to further veil and bind the believer spiritually. However, it is of course not wrong to pray with fellow believers and to seek the face of the true Jesus Christ together, but we must know that by merely calling upon His name, He is already with us and that through Him we have direct access to the Father.
- The custom (also introduced by Grandma Fraser) of pleading the Bible 7 times under the blood (of the sacrificial animals) and then opening the Bible and "pointing a Scripture" could have opened a spiritual doorway for the enemy to deceive the believer by using the written Word of God. It is a fact that Satan knows the written Word (especially that of the Old Testament) better than most believers and even tried to tempt Jesus, as the Son of God, through quoting it (Matthew 4).
- Removing shoes when entering the "sanctuary" or Temple at Jatniel (as well as every Faith House and prayer room) is a pagan custom modeled on the Old Testament principle that the Lord God lives in a house built by men (as with the building of the Old Covenant Temple in King Solomon's time). The enemy then also used certain Scriptures in the Old Testament (namely that of Moses who had to take off his shoes at the burning bush) to deceive the redeemed and justified children of God, who live in the New Covenant of Jesus Christ.
- The walking around (mostly anti-clockwise but also clockwise) in the prayer room or Temple is also modeled on the Old Testament example of when the people of Israel had to walk around Jericho 7 times to conquer it. We as reborn and redeemed children of God now have the resurrection power of Jesus Christ in us (Phil. 3:10) and can therefore simply pray to the Father in the name of Jesus Christ (John 14:13 & 14). It is therefore no longer necessary to do external

manifestations of faith (such as walking around 7 times) to outwardly channel or "awaken" spiritual power. This behavior belongs to the pagans (for example, the Muslims who walk around the Kaaba in Mecca during their annual pilgrimage) and Jesus says we must not become like the pagans (Jer. 10:2).

- The repetitive singing of specific phrases of songs or "choruses" is also not Jesus Christ's will for us since He says in His Word that we should not worship like the pagans through a vain repetition of words (Mat. 6:7). The "repetitive choruses" then also show many similarities with the so-called "mantras" that pagans use to get into a "trance" (or in-between) state and thus to contact the spiritual realm and specifically the Kundalini spirit.
- The spiritual dance called "instry" (in Afrikaans) (introduced by Grandma Fraser) and the associated trampling of the enemy underfoot is also just another method of enabling the entering of a "trance" (or in-between) state and thereby to become opened up for contact with the spirit world. Our Lord Jesus Christ asks us in His Word to remain sober and sober (1 Pet. 5:8) and not to open ourselves up like the heathens (e.g. the Bushmen who worship the sun god) through repetitive dances and songs to contact the spirit realm. The Holy Spirit lives in us as born-again children of God and therefore we do not need to physically do things, like the pagans, to meet or be intimate with our God.
- The concept of "surrendering" (after "wrestling" so that the "holy spirit" can then "take over" and there can be "prophesied") that often took place in LRM is also not Scripturally correct and in accordance with the gospel of the New Covenant under the High Priesthood of the resurrected Jesus Christ. The reason for this is once again that the resurrected Jesus Christ by His Spirit already lives inside the born again believer and that any believer can therefore prophesy at any time in the name of Jesus Christ since the Gift of Prophecy (by the true Holy Spirit) is constantly in him/her and can at any time be made available to the true Holy Spirit to use as and when the Holy Spirit (in the believer) may choose.
- It is a lie that God (namely the Father through His Son Jesus Christ and through the power of the Holy Spirit) can only be met "in the depths" in other words only when a deep enough "trance" - or intermediate state has been reached. Jesus Christ, our God Almighty is omnipresent, and He lives through His Holy Spirit in my spirit person (through regeneration). I can therefore call upon Him at any time through prayer and He will meet me right there and then (by His Spirit). Once again through the death and resurrection of Jesus Christ we now have free access to the Father.
- Manifested acts of faith (e.g. playing "train" which was introduced by Grandma Fraser to physically claim the blessings of the Lord) is not something that born again and redeemed children of God the Father should do. It is simply not necessary. We who live in the New Covenant (which Jesus made possible for us through His death and resurrection) can simply pray and ask in Jesus' name and then the Father will give us what we ask (if it is in His will). (John 14).

Manifested actions of faith (or "prophetic actions") largely belong to the Old Covenant (confirmed by the fact that most examples of prophetic actions also occur in the Old Testament and/or before the death and resurrection of Jesus). A born-again child of God has the resurrection power of Jesus Christ (through the indwelling Holy Spirit) inside of him or her and can also pray in the name of Jesus Christ. This is something that the believers under the Old Covenant were not able to do and therefore they had to perform outward acts of faith (often at the command of God or a prophet) to channel spiritual power through these acts to achieve a certain outcome. These manifested actions of faith were then repeatedly abused in LRM by order of Grandma Fraser (and other "prophets") outside of God's will. In certain cases, these manifested acts of faith could even have amounted to witchcraft (when what was asked was outside of Jesus Christ's will). An example is the custom that existed among certain LRM members in the Faith Houses to physically take out the heart of someone (whom they did not like) and to tie the person to death and then to put back the person's heart. (This is just one example of many.)

- The practice⁶ to baptize believers in Jesus Christ by triple immersion (as advocated by Grandma Fraser in her time to obtain a so-called "greater blessing" through it) is not correct as Jesus was in the grave only once and only once rose from the grave to ascend to Heaven. The Father, the Son Jesus Christ and the Holy Spirit cannot be separated from each other since God is triune and therefore there cannot be a separate immersion in water for each person of the trinity. This is a fallacy about the baptism of believers that came *via* the Zionists from America into certain religious groups in the early Apostolic Faith Mission (AFM)⁷ and then also entered the LRM through its founder MM Fraser. Through this false baptism the enemy aimed to contaminate the baptism of believers with falsehood and to rob it of all spiritual power.
- The practice of pleading the signs of communion (namely the wine and the bread) under the blood (of the sacrificial animals) robbed the Lord's Supper of its power since the blood that was repeatedly pleaded in LRM also over the signs of the holy communion was the blood of the sacrificial animals shed under the Old Covenant. Along with that, it is a lie that sin must have been fully confessed before being allowed to sit at our Lord Jesus Christ's communion table. If it were so, we would be able to save ourselves through confession and it would not have been necessary for Jesus to die on the cross. It is precisely because the Father knew that we cannot save ourselves (not even through complete confession of sin) that He sacrificed His only Son to pay on the cross with His blood so that sin no longer brought the curse of eternal death over us. However, the believer in Jesus Christ should still be serious about the continuous confession of and repentance for all known and wilful sin in his/her

inner room to have a pure conscious before the Lord and for purposes of sanctification, healing and deliverance. However, sin can no longer separate us from the love of Jesus Christ and therefore cannot prevent us from appearing before Him and sitting at His New Covenant table. He died precisely for that, namely that we can come to Him with boldness.

- Prayers at the wailing wall (at Jatniel) or Grandma Fraser's stone (in Sion) as well as in the evening at 12:00 etc. are also based on the lie that You Lord Jesus Christ only hears prayers that are prayed at a certain place (like the pagan gods) and at certain times (like the witches and people in the occult who regularly pray at 12h00 or at certain other times come together to pray, perform rituals, say curses etc.) and that You are not omnipresent and are not bound by time, space and place.
- It was often prophesied in LRM (especially in the time of Grandma Fraser) that the faithful should take hold of the cross or something similar. Here it must be remembered that the image of the cross (as we know it and as handed down through the religious dogma and tradition in the churches (originally from the Roman Catholic Church)) is not the true cross of Jesus Christ but rather a pagan symbol derived originally from Semiramis (the wife of Nimrod (the counterpart of the Queen of Heaven))⁸. I therefore confess that we physically took hold of the image of the cross as a symbol of the Queen of Heaven (part of the false trinity) and because of the deception of the false holy spirit (Kundalini) that came into LRM through its founder, Grandma Fraser.
- The belief that the Bible should be placed open to Psalm 91 (or any other text) in the house, car etc. as well as that Bible verses should be pasted on windows, walls etc. to serve as protection is false since Jesus Christ's blood in the spirit protects every believer in his/her house, car and possessions when asked for in prayer. Again, outward works and manifestations are not necessary as we now live in the dispensation of the Spirit and therefore, we can simply ask for protection (in the name of Jesus Christ) and the blood of Jesus Christ will protect us in the spirit.
- The custom in LRM that everything that is spiritually true for believers must be physically manifested such as e.g. the physical putting on of the armor of God (Eph. 6) as well as the physical use of the Bible as your sword (Eph. 6:17) etc. is not correct since believers under the New Covenant of Jesus Christ now live in the dispensation of the Spirit and no longer in the dispensation of external works as under the Old Covenant. So, when we are spiritually clothed with the armor of God it is because we simply asked for it in prayer or simply declared it. The sword of God is spiritually in our hand when we read or declare the Word of God (which is Jesus Christ Himself) and speak His words (not the Bible - John 1) and then also prophesy according to Jesus' Words.

- It is a lie that some people are more important in God's eyes than others and therefore had to receive preferential treatment (as, for example, happened in some of the Faith Houses when "workers" received special treatment or benefits above the others). Jesus says in His Word (Acts 10:34) that He does not prefer anyone above another.
- It is not from the true Jesus Christ that believers in Him may not read any literature other than the Bible or LRM approved literature (including in today's time the teachings and videos of IIC) since Jesus Christ is a God of free will and every believer should have the right to choose for him- or herself what literature he/she wants to read or study. Having said that, it is also not wrong to simply warn people, should there be errors in certain books, videos or other material, but people should still be free to decide for themselves what they want to watch, read, study and ultimately believe.
- The secrecy and silence about various things that happened regularly in LRM also does not honor You, Lord Jesus Christ, since You clearly say in Your Word that You Yourself never did or said anything in secret. This secrecy and silence in LRM aimed to prevent truth from coming into the Light and thus from being exposed. Along with this, I also confess that medication was allegedly often used (especially in the time of Uncle Pieter van Vuuren) to silence and/or discredit those who wanted to reveal the truth.
- I declare that the so-called unforgivable sin against the Holy Spirit is not to test prophecy or prophets (against the Word according to the words of Jesus in the New Covenant) but rather to reject Your Holy Spirit (in utter rebellion against You) until the day of one's death and to therefore choose to perish rather than to answer to Your call (to be saved).
- Finally, I also admit and confess that it often happened in LRM that people who were brave enough to stand up and question things⁹, were then (through false prophecy or otherwise) discredited in the eyes of the congregation. This was done in order to sweep the truth (that wanted to come out) under the proverbial carpet. LRM then also regularly warned that its members should not listen to the person who wanted to expose the truth and that those who do listen "*will come under his/her veil*". This discrediting of people or institutions were just ways by which LRM wanted to control and manipulate the believers (again the spiritual stronghold of Jezebel) as well as to prevent their own unholiness from coming into the Light and it did not honour you Jesus Christ.

I ask Lord Jesus Christ that You will forgive me and my family for all this deception and error in LRM and that You will wash me, my family and my descendants clean with Your blood.

⁹E.g., Uncle Calvyn Bezuidenhout who did not want to prophesy according to what would please the leadership of LRM and then lies were spread about him that he had gone "crazy", and that people should not listen to him.

2. ACKNOWLEDGMENT AND CONFESSION OF MY OWN INVOLVEMENT AND PARTICIPATION IN LRM – YOUR OWN PERSONAL ERROR AND DECEPTION AS WELL AS SIN (NOT MENTIONED ABOVE)

Jesus Christ, in addition to what has been acknowledged and confessed under paragraph 1 above, I also to acknowledge and confess the following specifically regarding myself (list here incidents and situations that the Holy Spirit has shown you, where you have personally gone astray or was deceived and/or was knowingly or unknowingly involved in falseness, witchcraft etc.):

.....
.....
.....
.....
.....
.....
.....
.....
.....

I ask You to also forgive me for this Lord Jesus Christ and that You will also wash me, my family and my descendants clean with Your precious blood.

3. THE SPIRITUAL EFFECT OF RITUALS AND REQUEST TO HAVE THEM CANCELLED AND DECLARED NULL AND VOID

Lord Jesus Christ, I declare that many of the things that were regularly done in LRM (especially in the time of Grandma Fraser and Uncle Pieter van Vuuren) amounted to dead religious works and were never required by You Jesus Christ and was not commanded by Your Holy Spirit.

I also understand that what was done in faith in the natural realm did however have an effect in the spiritual realm and was therefore used by the enemy to spiritually veil and bind me, my spouse and my descendants.

The enemy therefore gained the right to (through demonic power) shatter me and my family's human spirit as well as our souls and to programme the parts to be spiritually and psychologically bound and veiled. The effect hereof was spiritual and psychological "caging" (spiritual and mental cages and imprisonment).

I declare and confess that the following acts, customs and practices (frequently done in LRM) all amounted to rituals of death and destruction:

- Putting on a sackcloth;
- Wearing a belt of sackcloth;
- Sleeping, lying, praying as well as wrestling on sackcloth and ashes;
- Drinking of ash water;

- Scattering of ash on almost everything including on the head and in the shoes and around your house etc.;
- Solitary confinement in the ash chamber etc.
- Others:

.....

I hereby repent for all these rituals of death and destruction and declare it null and void as to myself, my spouse, my children and further descendants. I ask that its effect be erased on spirit, soul and body level with the powerful blood of Jesus Christ.

4. THINGS THAT WERE DONE IN ORDER TO ENTER INTO ACHIEVE A “TRANCE” (OR IN-BETWEEN) STATE IN ORDER TO GET IN TOUCH WITH THE SPIRIT REALM AND TO ACTIVATE THE KUNDALINI

I understand that the following rituals and customs in LRM had the effect of entering a so-called "trance" or "in-between" state and to thereby make contact with the spiritual realm and to contribute to the activation of the Kundalini or false holy spirit. This empowered the Kundalini (that lies latent at the base of the spine in the sacrum of every person due to the seed of Satan in humans¹⁰) and opened the spiritual door for false prophecy, deception and error:

- Wrestling (mostly on sackcloth and ashes), and sometimes even until blood was shed;
- “Instry” namely persevering in continuous spiritual song and dance;
- The shaking loose of myself, someone else and even of people who were not present (by shaking the Bible or allowing myself to be shaken in that person’s place);
- To “pray someone through” etc.;
- Others:

.....

I confess all these things Lord Jesus Christ and admit that it did not honour You. I ask for forgiveness and that You will wash me and my family clean in spirit, soul and body with Your powerful blood.

5. USE OF NUMEROLOGY

I declare that numerology (the drawing of spiritual power from certain numbers and combinations thereof) does not belong to children of the true Light, Jesus Christ, but that (to the contrary) those in the occult repeatedly uses numerology (magical power pertaining to certain numbers and combinations) to give spiritual power to rituals, curses etc. Examples of the use of numerology in LRM (especially in the time of Grandma Fraser but also later) include:

- Walking 7 times in a circle or around something (usually anti-clockwise);
- Shouting (or singing or doing) something 3 times;
- Making of 3 requests;
- Singing or shouting something 7 or 3 times;
- Using the number 12 (or any combinations of the above);
- Others I can remember:

.....

.....

I ask You to forgive me, my spouse, children and descendants Lord Jesus Christ for this error and I ask that You wash us clean with Your precious blood from any spiritual effect that this use of numerology could have had on us.

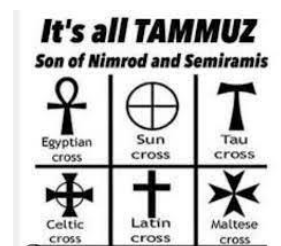

6. THE SPIRITUAL EFFECT OF MANIFESTED ACTIONS OF FAITH

Lord Jesus Christ, I confess that manifested actions of faith (or so-called "prophetic actions") belong mainly to the Old Covenant and that it therefore did not honour You when we as regenerated and Holy Spirit filled believers participated in them. I confess that the following manifested actions of faith took place in LRM, some of which I was also involved in and which I can remember:

- Taking out someone's heart, binding it with death and putting it back;
- The playing of "train" and then to physically download from the train what you want and to appropriate it;
- Placing someone and his/her belongings on the train and then sending them away;
- To roar like lions, bleat like sheep, coo like doves etc.;
- To bathe like birds, wash and shake feathers, roll in the water etc.;
- To manifest that streams of water are flowing - then were bathed in or drank, sometimes by jumping into them and washing yourself in them;
- So-called healing water – like the Bath of Bethesda in the Bible (where under the Old Covenant the so-called healing power obtainable from the stirring of

the water was believed to cure diseases and ailments) and then the believers had to jump in to be healed;

- The physical tying of your calling (in Jesus Christ) to your election (through the false Jesus);
- Taking the “blessing threads” and knotting it over yourself, over the Faith Houses etc.;
- Placing the elements (sun, moon, wind, etc.) under the blood (of the sacrificial animals) and to plead for rain and favourable weather conditions;
- Throwing blood (of the sacrificial animals under the Old Covenant) bombs at people, institutions, etc.;
- Opening Bibles and blowing the "peace" from them to people, institutions etc.;
- Persistent singing and dancing to heaven (sometimes taking blood relatives' hands in faith and persisting in singing and dancing together);
- The sticking out of tongues that he (false Jesus) should anoint our tongues and take control of it etc.;
- The taking of power from his (the false Jesus') hands;
- Firmly hammering in tent pegs and making sure they are secure (and thereby actually tying yourself down spiritually);
- Receiving a clean spiritual slate, usually with the New Year's services (whilst all along being constantly in good standing with God due to what Jesus Christ did for us on the cross);
- The repetitive making of a new spiritual surrender including giving the hearts to him (the false Jesus) over again (to the contrary: “spiritual rebirth” is a once-off occasion);
- The giving of spiritual gifts as well as e.g. a body part to him (the false Jesus) and the pleading of the blood (of the Old Covenant) over it so that he (the false Jesus) can use it etc.;
- The giving of children, spouses, finances etc. to "him" (the false Jesus);
- Going into the treasuries of heaven and taking what you need;
- Polishing of trumpets and then blowing them loudly for victory or whatever other reason;
- Taking the victory from his (the false Jesus') hands;
- Trampling the enemy under the feet while rebuking the devil harshly;
- Praising (of the false Jesus) at the top of voices and then jumping, sometimes running around and praising;
- Putting everything you have on the altar before the false Jesus' throne (including yourself, children etc.);
- Encouragement to be like little children and then also to carry out physical manifestations of children in order to get into heaven;
- Taking the cord of blood (of the Old Covenant sacrificial animals) and fastening yourself with it;
- The grasping of the cross (the sign of Semiramis or Lady Faith of the Freemasons, also known as Jezebel (Queen of Heaven));

- Placing of the hand in his hand (false jesus), and the feet in his (false jesus') blood tracks etc.;
- Sleeping with the Latter Rain Messenger under your pillow/mattress so that it will protect you and heal your ailment;
- Laughing (Kundalini) at the "devil" etc.
- Other:

.....

(Also list the others that you can specifically remember)

I ask for forgiveness for all these manifested acts of faith (inspired by the Kundalini) Lord Jesus Christ that did not honour You and declare them completely null and void in Your name. I ask that You would wash me, my spouse and offspring as well as all other people in respect of whom these physical manifestations of faith were made with Your precious blood (this includes those that I personally did as well as those that were done where I was present as well as those that were done in respect of me and my family).

7. CANCELLATION OF CURSES AS WELL AS FALSE PROPHECY

In LRM (especially in the time of Grandma Fraser but also afterwards) word curses were often spoken over the believers and mostly in the form of so-called "prophecy". Some of these word curses or false prophecies were the following:

- That women may not wear make-up and *"should they pluck their eyebrows or lashes, they will go blind"*;
- *"Once a blue dress, always a blue dress."* (i.e., that you will never be able to get out of LRM);
- *"Anyone who dares to resist or question the "Holy Spirit" or come against the so-called "anointed ones", his or her bones will lie bleached in the desert"* (i.e., that total death and destruction will befall him/her and that he/she will never recover);
- *"Jump out of the pan, then you jump into the fire"* (i.e. that should anyone dare to leave the LRM, that they will not survive outside of LRM in the world but will be scorched by the worldly fires);
- Those believers who still have children in the end times *"add stubs to the fire"* (i.e. that the children who would now be born of believers will be delivered to destruction in the end times);
- Prophecies (made especially about children when "blessed") e.g. that *"the child will be the "spiritual barometer" of the family in that his/her health will indicate the spiritual well-being of the parents/family"* (our Lord Jesus is a good and righteous God and will never "punish" a child with infirmity for the wrongdoings of the parents);

- Prophecies that *"children do not want to be born into this world"* (i.e. it cursed the children in the womb so that they would, for example, be still born etc.);
- *"Make a clean cut with ..."* (family or other believers);
- *"Your body (or something else) will be given over to the devil";*
- *"Those who steal from me (by not paying tithes), I will steal from them"* (a financial curse);
- That you are *"a child of perdition..."*;
- That you *"came under a veil"* etc.
- Others:

.....

In the name of Jesus Christ, I reject all these false prophecies and word curses and declare that they will have no power and effect since the source of them was not You Lord Jesus Christ but indeed the "false Jesus" through the counterfeit holy spirit (Kundalini). I cancel every one of these word curses (including all false prophecies) that were spoken over me, my spouse, children and descendants and I declare them null and void over us in spirit, soul and body as well as over our marriages, relationships, finances, businesses, callings and ministries.

8. REQUEST FOR CANCELLATION OF ANY AGREEMENTS MADE AND COVENANTS ENTERED INTO WITH THE "FALSE JESUS"

Lord Jesus Christ, I understand that certain practices and customs that we participated in in LRM could amount to agreements and/or covenants that were made consciously or unconsciously with the enemy (the "false Jesus"). We were consciously or unconsciously bound and veiled by it, including ourselves, our spouses, children and our descendants. Some of these practices and customs include the following:

8.1 Consecration (also dedication) to the "false Jesus"

8.1.1 Children

Since (through the teachings and especially prophecies of Grandma Fraser) "another jesus", "another gospel" and "another spirit" came into LRM, it resulted that (regardless of the sincerity of the parents who brought the child to be dedicated). The child would (consciously or unconsciously) also have been dedicated to the "other jesus". This constituted a contract in the spirit and should be cancelled based on misrepresentation (one party to the agreement (namely yourself) did not realize and understand what the full content of the agreement was, whilst the other party (the "other jesus") understood fully and deliberately misled you.

8.1.2 Other consecrations and dedications

Since the "false Jesus" was also honoured (consciously or unconsciously) in LRM based on the spiritual cornerstone of Grandma Fraser, it means that any other blessing, consecration or dedication in LRM also had the effect in the spirit that the person(s) was also spiritually bound to the false Jesus. This will definitely contribute to holding them back and will prevent them from standing up in their true calling and creative purpose in the true Jesus Christ.

The following were some of the dedications and consecrations that habitually took place in LRM:

- "Brothers" and "sisters" who entered their "careers" in LRM;
- Workers;
- Members of a specific Faith House;
- Those who may wear the Blue Dress etc.

List here also the other dedications and consecrations that you knew about and were directly or indirectly a part of:

8.2 **Baptism of believers**

The same principle as in respect of 8.1 above also applies to the baptism of believers that took place in LRM. (Note: However, this does not necessarily mean that the whole baptism was false (each believer should discern on a case by case basis) but there may definitely have been spiritual contamination from the false trinity and therefore the believer should preferably be baptized again into the death and resurrection of the true Jesus Christ.

NB: It is recommended that the believer should first be re-baptized by another born-again and baptized believer in Jesus Christ (preferably outside of an organized church context) and in accordance with the true baptism of Jesus Christ (namely in His death on the cross and resurrection¹¹) before praying this prayer of renunciation. This is since the falsehood locked up in the LRM baptism by threefold immersion may still have a strong hold in the spirit over the believer precisely since there is great spiritual power in the baptism of believers.

The baptism as a believer in LRM also resulted in the believer unconsciously identifying him - or herself with the "false Jesus" (false trinity) and therefore becoming bound and

¹¹Refer to our teaching on YouTube entitled "No longer I that live".

 No copyright reserved -www.ignitedinchrist.org

veiled by it. This is therefore also an agreement that should be cancelled by verbal confession in prayer and then also by the believer being baptized again (or re-baptized) as mentioned above.

8.3 Holy Communion

The communion in LRM (as handed down from Grandma Fraser) by pleading the signs of the New Covenant under the blood of the Old Covenant amounted to spiritually sitting at the Old Covenant table of the "false Jesus" (1 Cor. 10:21). Every time that communion was used in this way, the believer therefore confirmed and celebrated the Old Covenant (which could not save) with the "false Jesus". The signs of the Lord's Supper (which were pleaded under the blood of the sacrificial animals of the Old Covenant) became practically ineffective and the believers were in this way re-connected to the Old Covenant which could not save. This did not necessarily mean that the believers were no longer saved, but that they became bound in the spirit and that the enemy came to steal and succeeded to place them in spiritual imprisonment.

8.4 Spiritual spouses

We know that every believer in Jesus Christ is in a spiritual marriage covenant with Him and that He is every believer's spiritual Bridegroom or spouse (Luke 5:34 & 35). Satan also wants to "counterfeit" this intimate relationship between man and God. He would also want to become the spiritual spouse of believers (and then specifically in the form of Lilith or Asmodee (also known as Baphomet) who is under the spiritual authority of the Queen of Heaven).

The fact that it was standard policy for permission to be obtained from the LRM leadership before believers could enter into firstly a relationship and secondly marriage (and even more so due to the fact that these marriages were mostly performed in LRM and then also in the Temple in Jatniel or in the Faith Houses) gave rise to the "false Jesus" gaining an entry point into these marriages as the spiritual spouse of both the husband and wife (so-called "spiritual husbands and wives", mostly a demonic spirit under the spiritual authority of Lilith and/or Baphomet (the Queen of Heaven)). The marriage covenant was therefore not only concluded between the two believers and Jesus Christ, but the marriage covenant was also concluded with the "false Jesus" as partner and fellow spiritual spouse in the marriage.

8.5 Other agreements/covenants concluded in LRM

List here any other agreements and/or covenants made in LRM with the "false Jesus" (as revealed to you by the Holy Spirit):

8.6 Prayer to cancel the spiritual agreements as well as the covenants made with the "false Jesus"

Lord Jesus Christ, I come to stand before Your throne in the spiritual realm and approach You today in Your capacity as Supreme Judge in the spiritual realm since it is written that to You have been given all power in Heaven, on the Earth and under the Earth. You defeated Satan and all his power on the cross but especially through Your resurrection from the dead (Eph. 1:21).

Jesus Christ, I acknowledge and confess that the following practices or situations that took place or existed during my involvement in LRM, consciously or unconsciously, amounted to an agreement or even a covenant with the false jesus:

.....
.....
.....
.....

Lord Jesus Christ, I acknowledge and confess that what was is said above about these practices and their spiritual impact is the truth and I ask for Your forgiveness Lord Jesus Christ.

I argue in Your Heavenly Court of Law and before Your Holy Throne of Justice that I was deceived Jesus Christ and that therefore (as with earthly contractual law) "misrepresentation" took place. I argue that I would never have entered into these agreements and even alliances with the "false Jesus" if I had realized the truth.

I therefore ask You to declare each of these covenants and agreements with the false jesus null and void. Please serve this order upon Satan and specifically to each member of the false trinity namely the sun god, queen of heaven and false Jesus (or antichrist) as well as the Kundalini spirit. I also ask that You command the enemy (Satan and all the evil spirits that make up the complete false trinity) to make restitution to me as well as to make good to me any damages that I may have suffered (in other words, that Satan will return everything he has stolen from me and that I will also be compensated for any damage suffered).

I also hereby declare null and void in the name of Jesus Christ every blood covenant, blood ritual and blood sacrifice that were made (consciously or unconsciously) with the false Jesus and the unholy trinity and I ask that every blood covenant, blood ritual and blood sacrifice that I entered into be cancelled by your powerful blood Lord Jesus Christ and that I myself, my spouse, my children and all my descendants will be set free.

Thank you, Jesus, for setting me, my family and descendants free today from these unholy agreements and even covenants that I, consciously or unconsciously, made with the enemy. Please wash us clean in spirit, soul and body with Your precious blood.

9. CANCELLATION OF BAPTISM WITH THE COUNTERFEIT HOLY SPIRIT

Lord Jesus Christ, I realize now (and specifically after viewing IIC's teaching and reading the above) that I have probably been baptized in LRM with the counterfeit holy spirit, Kundalini (especially if I were involved in things like "instry" through repetitive song and dance, "wrestling", was "prayed through" and "surrendered" before or during prophecy). However, this does not take away from the fact that I may also have been baptized with Your true Holy Spirit since (regardless of the falsehood in LRM), You were also always present Jesus Christ, and You were aware of the honesty and purity of my heart.

I renounce and reject any baptism in LRM with the counterfeit holy spirit (namely the Kundalini) that I now know for sure worked in and through LRM. I ask You Jesus Christ to wash me clean with Your precious blood. I also renounce and reject any false gifts of the counterfeit holy spirit (Kundalini) that I received, including (but not limited to) the gift of speaking in tongues. I therefore ask Jesus Christ that You will wash all my spiritual gifts with Your precious blood and that You will burn away any false gift of the Kundalini with the fire of Your Holy Spirit. Please let only that which is truly from You remain.

I also ask for your forgiveness Jesus Christ that I was involved (directly or indirectly) in having others baptised with the counterfeit holy spirit, Kundalini, through any of the customs and practices in LRM (as mentioned above but also others).

10. REQUEST FOR FORGIVENESS: GRIEVING THE TRUE HOLY SPIRIT

Jesus Christ, I realize (after all that I have read and learned) that I have often (consciously or unconsciously) grieved your Holy Spirit when in the LRM I did and said things (under error and deception) that resulted in the belief in a different gospel and that I also condemned other believers who did not agree with me.

I ask for forgiveness Holy Spirit of Jesus Christ and God the Father that I have sinned against You and have grieved You deeply. Please wash me clean with Your precious blood. Thank you for revealing to me that the only sin against the Holy Spirit that is unforgivable is where a person would refuse to give his/her heart to You (despite Your knocking on the door of his/her heart) and would persist in this rebellious sin until the day of his/her death.

11. THE OATH OF SECRECY AND WITCHCRAFT THAT KEEPS THE "MYSTERIES" IN PLACE

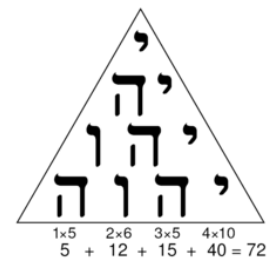

I recognize and confess that sexual impurity and especially that of rape and sodomy had its origins with Lucifer and the fallen angels and their dealings with the daughters of men (but also with men) (Gen. 6:4). I recognize and confess that the curse of sexual intercourse with fallen angels as well as with the nephilim and the hybrid is in the ancestry of all people. I therefore ask for forgiveness Lord Jesus Christ that my

ancestors had sexual intercourse with the fallen angels and I ask that You will break this blood line curse over me and my descendants.

The rape and sodomization of children before a certain age is also accompanied by DID programming and mind control, which aims that neither the child who was raped nor the person who raped should remember anything. In this way, Satan's secret of initiation (especially through sodomy at or around the age of 3) is then kept hidden and inner healing and deliverance is in this way prevented.

The curse that keeps this hidden knowledge in place is the oath of secrecy that the fallen angels (according to the Book of Enoch¹²) took on Mount Hermon. During this oath they promised to keep secret their plan to pollute the human DNA (spiritually and physically) in this way they also swore that all of them will do so and bound it with an oath of secrecy.

This gave rise to the fact that the strongest of witchcraft possible namely Kabbalistic witchcraft keeps this "secret" in place. It is based on the so-called *tetractys* (based on the unholy name of "god" namely Yod Heh Vav Heh which simply means "Lord" and that (in this context) refers to the "Lord of Darkness" namely Lucifer. The power of Lucifer ("the dark lord") and 72 fallen angels are in this way drawn in through the numerology attached to the name YHVH and power is also drawn from the star constilations (astrology) and the five elements namely earth, wind, fire, water and spirit¹³.

This oath of secrecy therefore began with Lucifer and the fallen angels in the time of Enoch and continued through the human bloodlines (especially through Freemasonry and the Illuminati) as part of the so-called "*mysterics*" that is the secret knowledge of the occult.

I hereby, in the name of Jesus Christ, cancel the bloodline curse of the mysteries and the secrecy involved that started with Lucifer and the fallen angels (as mentioned above) giving rise to children (and also adults) being initiated into Lucifer through rape but especially through the act of sodomization. I also cancel in the name of Jesus Christ the mind control DID program that kicks in because of the extreme trauma experienced at such a young age of "nothing" and memory loss and total secrecy. I also in the name of Jesus Christ cancel all Kabbalistic witchcraft through the *tetractys* that keep this "secret" in place over myself, my spouse, my children and further descendants. Every curse of secrecy, silence and cover-up is also canceled in the all-powerful name of Jesus Christ.

¹²Par. 6.6

¹³Of course, when we use the name YHVH in the right context to refer to Jesus Christ as the Lord of Light then there is not necessarily something wrong with YHVH, if we do not elevate it to a name that is above the name of "Jesus Christ" is not.

13.2 Prayer for deep inner healing in respect of every situation

The following prayer may be prayed (with minor adjustments) in respect of each situation. Note (NB) that believers who come from the LRM in some cases could also have been molested and/or raped as children and this inner healing of the several hurt inner children will also have to come before the deliverance part of the prayer may be prayed. Here and in this context, we recommend that believers should preferably pray with and for each other to help and assist each other to obtain inner healing.

13.2.1 Forgiveness

Lord Jesus Christ, I choose with my free will and with my spirit, soul and body to forgive the LRM and the people involved (.....) and I further choose to set them completely free for what they did to me and my family (.....(list the specific incidents)). I also forgive myself for allowing myself to be deceived and for unwittingly allowing the enemy to gain this right over my life.

If I, consciously or unconsciously, blamed You, Lord Jesus Christ, for what happened and mistakenly thought that it was You who expected these things from me, then I also now come and ask You for forgiveness for being angry with You and perhaps also becoming embittered towards You, Lord Jesus Christ.

Please wash me clean in body, soul and spirit of any bitterness, unforgiveness, hatred, anger, sense of injustice, sadness, pain, upset etc.
.....
.....
.....

(List all the negative emotions)

13.2.2 Deep inner healing

13.2.2.1 Hurt Inner Children and Hurt Inner Adults

Lord Jesus Christ, I ask You to appear to the hurt inner adult (or inner children) of my spirit person (on my human spirit level) who got hurt when (Name what happened) and that You will call forth the hurt inner adult or inner child.

Jesus, please help this hurt inner adult or child of my spirit person (at my human spirit level) to forgive and absolve and please wash this adult and/or child clean with Your blood (on human spirit level as well as on soul and body level). Please dry all tears Lord Jesus Christ and wash away all the negative emotions with Your blood.

If there are any spirit and/or soul copies of the perpetrator(s) in these inner children or inner adults, I command them to

consolidate and become one each and I ask You to take them all away now Jesus Christ.

I now ask Jesus that You will come and take away the inner adult and/or inner child with Your own hands on the level of my human spirit (but also on soul and body level).

Thank you, Jesus.

13.2.2.2 DID parts that formed due to the shock and trauma of the incident

Lord Jesus, I ask You to will appear to every DID part of myself that has formed due to the shock and trauma of the incident, firstly on my human spirit level, but then also at the same time on soul and body level. Jesus, I confess that DID parts mostly aim to protect the "core" or "ID book" human spirit, soul and body, but that the enemy also uses these shattered parts of myself to keep me in prison and to prevent me from completely breaking free and walking out in faith in You.

I therefore ask that every DID part of myself (on human spirit, soul and body level) that formed during the shock and trauma of the incident will now bow before Jesus Christ in the spirit and accept His authority. If the parts do not believe in Jesus Christ (i.e. are not saved) I ask that they now open the doors of their hearts so that Jesus Christ can enter (firstly on human spirit level but also on soul and body level). Any protector DID parts on my human spirit level (but also on soul and body level) should now realize that I no longer need their protection since I place my trust only in Jesus Christ who is faithful and who promises to protect me.

I cancel in the name of Jesus Christ every form of mind control, programming, witchcraft (also kabbalistic witchcraft), curses as well as "triggers" and spiritual cages and veils by which these DID parts work. I also cancel in the name of Jesus Christ any veils and chains with which these DID parts are veiled and bound. I declare it null and void in Jesus Christ's name on my human spirit, soul and body level.

Finally, I ask Jesus Christ that You will wash these DID parts clean with Your blood and that you will now integrate them with the core (ID book) of my spirit, soul and body so that I can become whole.

13.2.2.3 Spiritual prisoners

If the enemy has taken spiritual prisoners due to the trauma and shock of this incident and is holding them captive in the spiritual realm, I now ask Lord Jesus Christ that You will instruct your warring angels to seek, rescue and find every spiritual prisoner of myself, namely any spirit or soul copies of myself as well as any DID parts of my spirit person. I ask You Jesus to wash them clean with Your blood and I ask that all the DID parts of my spirit person will accept You as Saviour (if they are not yet reborn in You) and that You will take away the spirit and soul copies Lord Jesus. Please also integrate the DID parts of my human spirit with my "core" human spirit (but also on soul and body level).

Thank you, Jesus, for the healing and restoration. I praise and honour You!

(NB: This prayer for inner healing must be prayed in respect of every trauma incident and therefore every hurt inner child and/or inner adult before proceeding to the deliverance part of the prayer. In case of hurt inner adults and/or children where the trauma is very similar, they may be dealt with simultaneously.)

13.2.3 *Integration of DID parts on human spirit level that split off and were programmed already at conception in the womb (relevant in respect of 2nd, 3rd and further generation members of the LRM)*

Lord Jesus Christ, I understand through the teachings of Ignited in Christ that the seed of Satan entered at conception in the womb when my spirit person also entered my body (from You) since we are all conceived and born in sin. Due to the fact that my parents (one or both) were already in the LRM when I was created in the womb, the spiritual legacy of LRM also already impacted me through the bloodlines.

I hereby repent for the worship of the false Jesus through the LRM in my bloodlines and hereby cancel in the name of Jesus Christ the bloodline curse of LRM in respect of myself, my children and further descendants in spirit, soul and body. I declare it null and void.

Lord Jesus Christ, I ask You to appear in the spirit to every part of my spirit person that split off (already at conception in the womb) due to the impact of the Seed of Satan) and that was programmed with the spiritual bondage of the LRM (specifically parts of my human spirit that were programmed to be e.g. "the Spirit of the Latter Rain Mission" (a red dragon hybrid), "Helena P Blavatsky", the "Ascended Masters" or "Mahatmas", "Grandma Fraser" , "Uncle Pieter van Vuuren", "Jezebel", "Kundalini" etc. etc.)

I ask them to open the doors of their hearts to You Lord Jesus Christ so that You may come in and they may be reborn in You. I cancel in the name of Jesus Christ all demonic mind control and programming over them as well as any curses, "triggers" and spiritual cages ("caging").

I ask You to wash them clean with Your blood Lord Jesus Christ and to integrate them all on spirit, soul and body level with my core (ID book) human spirit, soul and body. I plead Your blood over this integration Jesus Christ and ask that You will seal it.

Thank you, Jesus Christ, for this healing and restoration.

14. DELIVERANCE

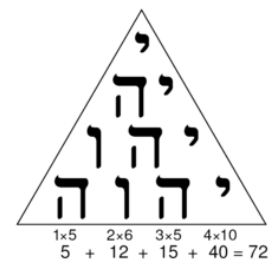

(NB: The deliverance part of the prayer should only be prayed after all the rights of the enemy have been taken away since our Lord Jesus Christ is righteous and the enemy knows that he may remain if he still has a legal right. Rights of the enemy include unconfessed sin and/or errors, unbroken agreements and covenants with the enemy as well as bloodline curses. Unhealed hurt, trauma and/or shock and disillusionment

are not so much a right that the enemy has but certain DID parts as well as strongmen may still be able to draw strength from the unhealed hurt, shock and trauma. This may result in the deliverance being more difficult.

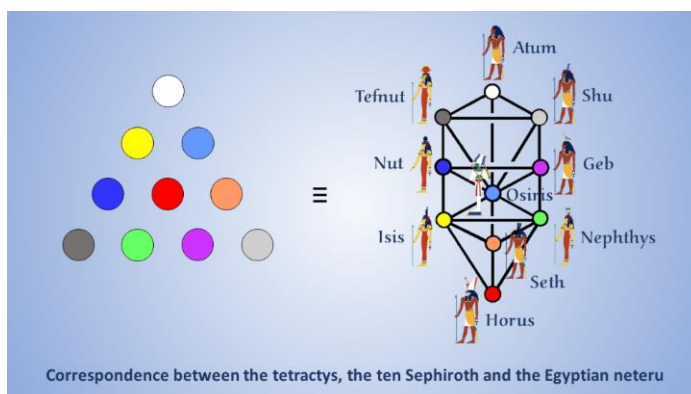

14.1 Strongmen on human spirit level

Lord Jesus Christ, in Your name, I now come against the following strongmen (hybrid and nephilim spirits) who have gained a foothold in respect of me and my family through my former membership of LRM and who are present on human spirit level (NB: Not in my core human spirit that is reborn in Jesus Christ but on human spirit level):

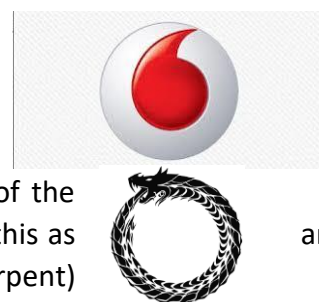

- The Spirit of Latter Rain (*alias* Lucifer/Satan or the “false jesus”, manifesting in the spirit as a red dragon but also as "the Eye" of Horus (as prophesied by Grandma Fraser);
- Kundalini (the counterfeit holy spirit), the Spirit of New Age, Pharmakeia, the spirit of the so-called “dwarf man”, the Antichrist;
- The spirit of Lying, Deception and Confusion;
- Queen of Heaven, Lilith (Lady Love), Asmodeus, Jezebel (Lady Faith), Hecate (Lady Hope) as well as all nephilim and hybrid spirits that report to them including Sexual Impurity, Lust, Paedophilia, Molestation, Rape, Spirit Husbands and Wives (including *Incubus* and *Sacubus*), Religion, Tradition and Dogma, Legalism, Spirit of Mother Mary, Semiramis, Astarte, Ashtaroth, Kabbalistic Witchcraft, Mind Control, Programming and "Caging";
- The spirits behind the so-called "Ascended Masters" and "Mahatmas" of Helena Blavatsky and all spirits dealing with the "Theosophical Society";
- Baal/Molech/Dagon, Athaliah, Jezebel and Ahab, Arbagon, Bronkisilis and Castoralis, Leviathan, Spiritual Pride, Falsehood, Control, Domination, Manipulation and Intimidation, Idolatry, Blood Sacrifice and Child Sacrifice, Blood Covenant, Death and Destruction, Grim Reaper, Homicide, Murder, Depression, Anxiety, Fear, Tension, Suicide, Mammon, Poverty, Spirit of Azai, Trouble, Unworthiness, Inferiority and Poor Self-Esteem, Oppression, Humiliation, Paranoia, Deaf and Dumb Spirit and also all other strongmen who report to them or that work with them.
- Then also specifically all the nephilim and hybrid spirits who identify with the 72 fallen angels who are connected with Lucifer (*alias* Azazel but also known in this context as “Legion” that shapeshifts) who identify with the extremely unholy name of god "YHVH" ("*the dark lord*") that appear in the occult "*tetractys*" (see image to the left) with the numerology of 72 (Satan and fallen angels) as well as 666 (the number of the Beast of Revelation or the Antichrist). Each of these spirits who identify with the 72 fallen angels who are also behind Kabbalistic Witchcraft together with Lucifer ("*the dark lord*" or the

"lord of darkness" - YHVH - the "other one" of the dualism in the Old Testament) are also addressed on human spirit level as the strongmen behind the error of LRM and included in this prayer;

(Refer to the "red dot" in the middle of the *tetractys* that resembles Horus (false Jesus) and hence the "Eye of Horus" (which depicts the false Jesus) in the middle of the triangle, especially so in Freemasonry. This "red dot" can then also be found in the logo of several companies which is a clear "give away" of the fact that it is a Masonic company under the control of the "dark lord" *alias* Lucifer. See the well-known logo next to this as example with the red dot in the center and the *oroborus* (serpent) around, as illustration.)

I ask Jesus Christ that by Your Spirit You will now appear to each of these strong men (who have gained a foothold in me and my family through LRM) on my human spirit level and that they will recognize Your supreme rule in my human spirit, soul and body and that they will bow before You. I confirm and declare that they no longer have any rights to me and my family on human spirit, soul and body level. I ask You Jesus Christ to bind these strongmen with Your own hands since You say in Your Word that when we have bound the strongmen, we may rob the house¹⁴.

14.1.1 ***Cancellation of all mind-control, programming, witchcraft, triggers and spiritual cages (spiritual "micro-chips")***

I cancel in the name of Jesus Christ all these strongmen's spiritual "micro-chips" which include any mind-control and DID programming in respect of me and my family on human spirit, soul and body level. I also cancel with it any programming of spiritual veils, spiritual cages and other spiritual bindings. All curses, witchcraft and "triggers" on spirit, soul and body level are hereby cancelled in the name of Jesus Christ and are declared void.

¹⁴ Mat. 12:29

14.1.2 *Release of spiritual prisoners*

If any of these strongmen still hold any spiritual prisoners of me and my family somewhere in the spiritual realm (but specifically also in spiritual places connected to the LRM Temple, in the Zodiac or star constellations and on or in the "astral planes"), as a result of the customs, practices and rituals that took place in LRM, then I ask Lord Jesus Christ that You will now send in Your holy warring angels to seek, rescue and find all the spiritual prisoners (namely DID parts of me and my family's spirit person as well as demonic spirit and soul copies of myself and my family). Please wash all the spiritual prisoners clean with your blood Jesus and set them free.

I ask that You simply take away and set free the spirit and soul copies and that You will bring back every part of me and my family's spirit person that was stolen by the enemy and that you will integrate it with our "core" (ID book) spirit person (but also on soul and body level).

I thank You Lord Jesus Christ and plead Your blood over all this healing and integration on human spirit, soul and body level.

14.1.3 *Integration of all demonically programmed DID*

In Your name, Jesus Christ, I now command all demonically programmed DID parts (under the control of all these strongmen who are bound) on spirit, soul and body level but also specifically the following DID's:

- The nephilim as well as the hybrid (dragon) known as the "Spirit of Latter Rain" but also known as the Eye of Horus;
- Helena Petrovna Blavatsky, Annie Besant, CW Leadbeater and all the other originators of the Theosophical Society;
- The so-called "Ascended Masters" or "Mahatmas" from whom Helena Blavatsky received her so-called wisdom namely, among others, Jesus (false), Sanat Kumara, Buddha, Maitreya, Confucius, Lord Lanto (Confucius' historical mentor), Mary the mother of Jesus, Lady Master Nada, Enoch, Kwan Yin, Saint Germain and Koot Hoomi (Kuthumi) and all others – who are all evil spirits that are offspring of the fallen angels;
- Any eastern and other "gurus" from whom Helena Blavatsky and others learned in Theosophy;
- All witches and satanists, Freemasons and Illuminati including the witch, Azai;
- John Alexander Dowie (of Zion House, Chicago), Charles Parham, John G Lake and others who received an anointing or baptism with the "holy spirit" at (or from) the ministry of John Alexander Dowie (the Zionists, in America);
- Grandma Maria Martha Fraser, Hugh Fraser as well as the 9 ladies who were involved with Grandma Fraser in the founding of LRM;
- Martha Wing Robinson (1874 – 1936) (allegedly, Grandma Fraser often carried around the book about her life entitled "*Radiant Glory*" written by Gordon P Gardner);

- All the other leaders of LRM (including Aunt Sannie and Uncle Pieter van Vuuren) to date;
- All "prophets", workers and members of LRM;
- All nephilim and hybrids and specifically also the spiritual children of the fallen angels and also "Legion", the shape-shifter, that is a combination (hybrid) of Lucifer and the fallen angels; and
- All DID parts of myself, my spouse, children and further descendants (who are being held captive under these parts)

to open the doors of their hearts to Jesus Christ and to allow Jesus Christ to wash them clean with His blood and integrate them with me and my family's "core" (ID Book) human spirit, soul and body. Please also seal the integration with Your precious blood Jesus Christ.

14.1.4 *Spirit copies on human spirit level*

Lord Jesus Christ, I ask that You command on human spirit level that every spirit copy of any of the persons, nephilims, hybrids and other entities that came into me and my family on human spirit level due to my involvement in the LRM and with Grandma Fraser (specifically also those mentioned in 14.1.3 above) to consolidate to one spirit copy each. I ask that You will take them all away now Jesus Christ.

14.1.5 *Deliverance from the Strongmen*

Lord Jesus Christ, I now ask that You Yourself will come and collect these strongmen of LRM (as mentioned above under 14.1, but also any others that You know about and that have not been specifically mentioned) with Your own hands, on human spirit level. Please cut them loose from me and my family's spirit person, cut them loose from any DID parts as well as power demons, foot soldiers, demonic spirit and soul copies and anything else that they may draw power from and please come and take them away Jesus Christ. Thank you Jesus.

I now ask You to close all these strongmen's spiritual gates (or portals) on our human spirit level with Your Keys to the Kingdom so that they will not be able to come back again.

14.2 *Power demons, foot soldiers as well as demonic soul copies on soul and body level*

In Jesus Christ's name, I bind all power demons and foot soldiers who have entered on soul and body level through LRM and Grandma Fraser (who knows that their strongmen have been taken away by Jesus) together with a spiritual rope.

I now command all demonic soul copies (that have entered me and my family on soul and body level through and because of LRM and Grandma Fraser) to consolidate into one soul copy each.

Finally, I command all the power demons and foot soldiers (of all the strongmen of LRM who have now been taken away by Jesus) to go out on soul and body level and I

ask You Jesus to take away all the consolidated soul copies (that came in through LRM) on soul and body level.

Thank you, Jesus Christ! I worship and praise You!

14.3 Cancellation of every spiritual veil

Finally, Father, I ask in the name of Jesus Christ that by the power of Your Holy Spirit You will now tear off any demonic veil (that the enemy has drawn over my spirit person as well as over my soul and body) and specifically I declare that I now remove the blue dress (as well as the white dress on Sundays) in the spirit from my human spirit, soul and body.

I also ask that any spiritual banner that the enemy has placed over my spirit person, soul and body that says I am not good enough (or that steals from me spiritually in any other way) will now be torn from me in the spirit and that You will place a new spiritual banner over me in the spirit Lord Jesus Christ that says: *"I am more than a conqueror through Jesus Christ who gives me strength."* (Rom. 8:37)

15. BAPTISM WITH THE HOLY SPIRIT

I now ask Lord Jesus Christ that You will baptize me and my family once again and afresh on human spirit, soul and body level with Your Holy Spirit and with Your Holy Fire (Your *dunamis* power). I also ask You to give to me all the gifts of Your Spirit, as mentioned by Paul in 1 Cor. 12. If I have already received them, I ask you to wash them clean with your blood Jesus and that you will activate all of them afresh.

Jesus, please also wash away with Your blood any trauma that I may have experienced while watching the YouTube videos and whilst praying this prayer and that may have occurred during the deliverance I received on human spirit, soul and body level.

Please also nurse any spiritual wounds with Your own hands and with Your blood Lord Jesus Christ that may have been inflicted upon me during the removal of any of the strongmen on my human spirit level.

Please give me a fresh infilling of Your peace, the peace that surpasses all human understanding and help me to enter Your permanent Sabbath rest (Hebrews 4) so that I will remain free from dead works, legalism and religion.

16. THANKSGIVING

Lord Jesus Christ (as part of the triune God: Father, Son and Holy Spirit) we give you all the honor and glory for this prayer and thank you for this healing and deliverance. Thank You for breaking all the bonds with which the enemy bound me and my family and for lifting every veil on spirit, soul and body level and completely healing and setting me free.

Please now equip me for discipleship Lord Jesus Christ and wash all Your spiritual gifts of Your Holy Spirit in me with Your precious blood and restore it to the original spiritual strength that You intended for me.

Help me Lord Jesus Christ through Your Holy Spirit (and the reading of the New Testament) to get to know you afresh and show and teach me who You really are and help me to understand the content of Your New Covenant.

Jesus, please lead me now into the calling that You have for me and help me to become a powerful end-time disciple for You in that I will also be able to help others to discover truth, find healing and gain freedom.

AMEN

Jesus promises in His Word that He will finish the good work that He started in us until the day of His return (Phil. 1:6). May our Lord Jesus Christ richly bless you for your obedience to Him.)
